Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over

\$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds,

debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,
Clerk of the Legislative Assembly
of Ontario.

Application to Parliament**Private Bills**

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would

be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each

such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation, or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect,

and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,
Clerk of the Legislative Assembly
of Ontario.

Consolidated Schools.
Made—10th June, 1947.
Approved—19th June, 1947.
Filed—24th June, 1947, 3.30 p.m.

REGULATIONS MADE BY THE MINISTER UNDER THE DEPARTMENT OF EDUCATION ACT

CONSOLIDATED SCHOOLS

INTERPRETATION

1. In these regulations,—
 - (a) "board" means board of trustees of a consolidated school section;
 - (b) "inspector" means public school inspector;
 - (c) "parent" includes guardian; and
 - (d) "school" means consolidated school.

SCHOOL HOURS

2.—(1) The board and the inspector may fix the hours for school attendance from and including the 1st day of October to and including the 31st day of March, but shall allow a noon recess of at least 1 hour and morning and afternoon recesses of at least 10 minutes each.

(2) The number of school hours shall be not less than 4 hours a day.

INSPECTION

3. Every public school inspector shall inspect the consolidated schools in his inspectorate.

EQUIPMENT

4.—(1) The board shall provide the school with,—

- (a) a pinao, or an instrument for reproducing musical records;
- (b) a moving picture machine or a projection lantern, together with a screen and necessary accessories; and
- (c) an emergency medical and surgical chest.

(2) The emergency medical and surgical chest shall contain medical and surgical supplies selected, labelled and administered under the direction of the school medical officer.

QUALIFICATIONS OF PRINCIPALS

5. A principal appointed after the 1st day of September, 1935, shall hold a Permanent Second Class Certificate.

POWERS AND DUTIES OF BOARDS

6.—(1) A board shall provide a sufficient number of vehicles to convey to and from school pupils of school age permanently resident in the consolidated school section except pupils residing less than 1 mile from the school by the travelled route, and the last-mentioned pupils shall not use the school conveyance facilities without the written consent of the board.

(2) For the purposes of subregulation 1, "travelled route" shall mean the route travelled by school vehicles in conveying pupils to and from school.

(3) Pupils not resident in the consolidated school section or those only temporarily resident therein shall not use the school conveyance facilities without the written consent of the board.

(4) The board shall designate convenient places at which the pupils may meet the school vehicles.

7. The board and the inspector shall,—

- (a) plan the school conveyance routes; and
- (b) determine the number, kind, seating capacity and equipment of vehicles.

8.—(1) The board shall advertise in the local newspapers for tenders for the conveyance of pupils to and from the school.

(2) At least 30 days before the last date set for receiving tenders the board shall, in at least 3 public places within the consolidated school section, post notices indicating,—

- (a) the conveyance routes;
- (b) the approximate number of pupils to be carried;
- (c) the nature and equipment of the conveyance vehicles required; and
- (d) the place where the conditions and specifications for tenders may be obtained.

9.—(1) The board shall open and consider all tenders which are submitted.

(2) The board may accept or reject any or all of the tenders.

10. Every contract for school conveyance shall,—

- (a) be in writing and signed by the contractor and the chairman and secretary of the board; and
- (b) be sealed with the corporate seal of the board.

11.—(1) The driver of a school vehicle shall,—

- (a) be subject to the authority of the principal;
- (b) have authority over pupils riding in the vehicle; and
- (c) be responsible to the board for the comfort, conduct and safety of pupils while conveying them to and from school.

(2) The driver shall make a daily report on such matters as the principal may require.

12.—(1) The board shall authorize its secretary to make maps or plans of the consolidated school section.

(2) The maps or plans shall indicate clearly the school conveyance routes and the residences of pupils.

(3) The secretary shall forward one copy of the maps or plans to the inspector and retain one copy for reference purposes.

Application to Parliament**Private Bills**

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates

which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk

of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,
Clerk of the Legislative Assembly
of Ontario.

Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates

which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk

of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,
Clerk of the Legislative Assembly
of Ontario.

Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after

perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

- A. Subject to B and E if the head office of a company is in Ontario a deduction will be allowed from the capital tax payable to the extent of the actual CAPITAL TAX PAYABLE DURING the company's 1947 fiscal year to each province or country outside Ontario.
- B. In no case shall the deduction allowed under A exceed the capital tax which would otherwise be payable upon that percentage of paid-up capital after deduction of goodwill, investment and mine allowances which the assets situated in such province or country bear to the gross assets of the company.
- C. Subject to D, E or F if the head office of a company is in Ontario a deduction will be allowed from income tax payable to the extent of the actual INCOME TAX PAYABLE for the company's 1947 fiscal year to each province or country outside Ontario.
- D. In no case shall the deduction allowed under C exceed the income tax which would otherwise be payable upon that percentage of net income which the assets situated in such province or country bear to the gross assets of the company.
- E. No tax allocation under A and C will be allowed until tax otherwise allowable thereunder has been paid.
- F. Where a company with fiscal year not coinciding with the calendar year is entitled to a deduction from income tax otherwise payable under item 10 C-1, the tax payable on income to other jurisdictions under item 57 may be increased to the amount that would be payable but for a similar deduction in each other jurisdiction.
- G. If the head office of a company is situated outside Ontario, allocation will be allowed to the extent of the percentage that the assets situated outside Ontario bear to the gross assets of the company.
- H. In B, D and E "Assets" shall mean and include fixed assets including deferred development and inventories.

NOTE: Copies of assessments and receipts certified correct by the company for corporations capital and income taxes paid to each province or country outside Ontario during the company's 1947 and 1948 fiscal years must be submitted by each company with Head Office in Ontario.

Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,
Clerk of the Legislative Assembly
of Ontario.

REGULATIONS MADE UPON THE RECOMMENDATION OF THE MINISTER UNDER THE ARTIFICIAL INSEMINATION ACT, 1947

ARTIFICIAL INSEMINATION OF DOMESTIC CATTLE

LICENCES FOR ARTIFICIAL INSEMINATION CENTRES

1.—(1) No person shall operate an artificial insemination centre except under a licence, in form 1.

(2) The Commissioner may issue licences for the operation of artificial insemination centres upon written application therefor.

(3) The application shall be made to the Commissioner, in form 2.

(4) The licence shall be for the period from the 1st of January in the year of issue to the 31st of December in the same year.

(5) The fee for the licence shall be \$1 payable to the Treasurer of Ontario.

(6) The Commissioner may refuse to issue a licence where the artificial insemination centre has not been approved by the Board.

(7) A licence shall not be transferable.

LICENCES FOR TECHNICIANS

2.—(1) No person shall engage in the calling of a technician except for a licensed artificial insemination centre and under a licence, in form 3.

(2) The Commissioner may issue licences to technicians upon written application therefor.

(3) The application for a licence shall be made to the Commissioner, in form 4.

(4) The licence shall be for the period from the 1st of January in the year of issue to the 31st of December in the same year.

(5) The fee for the licence shall be \$1 payable to the Treasurer of Ontario.

(6) The Commissioner may refuse to issue a licence unless the applicant has been approved by the Board.

(7) A licence shall not be transferable.

REQUIREMENTS FOR ARTIFICIAL INSEMINATION CENTRES

3. The members of an artificial insemination centre shall be incorporated under *The Companies Act* as a company without share capital, and the corporation shall acquire at least 50 per cent of its needed working capital from its members either by way of loans or membership fees.

MINIMUM STANDARDS

4.—(1) The minimum standards for bulls of artificial insemination centres shall be those set forth in this regulation.

(2) Mature dairy-bulls shall be of XX or AA standard.

(3) Young dairy-bulls and dual-purpose bulls shall be typical of their breed and be out of dams with production records at least 20 per cent above the standard for qualifications of those dams.

(4) All bulls shall test negative to tuberculosis and Bang's disease.

5. Every artificial insemination centre shall keep a copy of the pedigree of each of its bulls and file a copy with the Commissioner.

QUALIFICATIONS OF TECHNICIANS

6. The qualifications of a technician shall be the successful completion of a course of study in the theory and practice of artificial insemination at the Ontario Veterinary College and The Ontario Agricultural College and Experimental Farm or any other institutions approved by the Board.

RECORDS AND RETURNS

7. An artificial insemination centre shall return to the Commissioner,—

(a) before the 15th of March in each year a statement for the previous year showing,—

(i) income;

(ii) expenditure;

(iii) profit and loss; and

(iv) number of members; and

(b) a monthly report at the end of 60 days from the last day of the month for which the report is made showing the number of cattle artificially inseminated and the number that show signs of being with calf.

GRANTS

8. Grants may be made to licensed artificial insemination centres as follows,—

(a) $33\frac{1}{3}$ per cent of the amount expended for lands, buildings and equipment, the grant not to exceed \$5,000;

(b) $33\frac{1}{3}$ per cent of the amount expended for bulls, the grant for any one bull not to exceed \$600; and

(c) 50 cents for each animal artificially inseminated and that shows signs of being with calf.

APPLICATION OF THESE REGULATIONS

9.—(1) These regulations shall apply to the artificial insemination of domestic cattle only.

(2) These regulations shall not apply to,—

(a) non-corporate owners of bulls;

(b) unincorporated breeders' clubs and syndicates; and

(c) breeders' clubs incorporated wholly or partly for the purpose of providing artificial insemination services for a named breed of cattle.

THE PUBLIC HOSPITALS ACT

O. Reg. 133/47.

Amending O. Reg. 43/45.

Capital Grants

Made—9th July, 1947.

Approved—10th July, 1947.

Filed—16th July, 1947, 3.15 p.m.

REGULATIONS MADE UPON THE RECOM-
MENDATION OF THE MINISTER UNDER
THE PUBLIC HOSPITALS ACT

1. Ontario Regulations 43/45 are amended by adding thereto the following regulations:

CAPITAL GRANTS

79b. In regulations 79c to 79j, both inclusive,—

- (a) "capital grant" means that portion of provincial aid granted to a hospital toward the capital cost of new construction or additions or alterations to the hospital buildings, based upon the number of beds for care of patients;
- (b) "municipality" means city, town, township or village; and
- (c) "bed" includes a nursery cubicle for the care of infants and three nursery cubicles shall be deemed to be the equivalent of one bed.

79c.—(1) A capital grant may be paid upon application to any hospital named in schedule 1.

(2) The grant to a hospital named in Group A, B, C or D in schedule 1 shall not exceed \$1,000 for each bed.

(3) The grant to any other hospital named in schedule 1 shall not exceed \$2,000 for each bed.

79d. The application for a capital grant shall be in form 1 and shall be submitted to the Minister.

79e.—(1) The application shall be referred to the Inspector for investigation and report.

(2) Within a reasonable time after the receipt of the application, the Inspector shall submit a report thereon to the Minister, together with his recommendations.

(3) A copy of the report and recommendations shall be submitted to the hospital by the Minister.

(4) If, upon receipt of the report, the hospital desires to proceed with the application, the hospital shall submit to the Minister a preliminary sketch plan in duplicate of the new construction, additions or alterations.

(5) The Minister shall refer the preliminary sketch plan to the Inspector, who shall submit a report thereon.

79f.—(1) The capital grant to hospitals approved under section 3 of the Act before the 1st day of April, 1947, shall be based upon the increase in the number of beds available for the treatment of patients.

(2) The capital grant to hospitals approved under section 3 of the Act on or after the 1st day of April, 1947, shall be based upon the number of beds for the treatment of patients.

79g. No capital grant shall be paid to a hospital named in Group A, B, C or D in schedule 1 where the total number of patient beds in all the hospitals in the municipality or municipalities served by the applicant hospital, including the proposed additional beds, exceeds 5.5 beds for each thousand of the population of the municipality or municipalities.

79h. A capital grant shall not exceed,—

- (a) 25 per cent of the estimated cost of new construction, alterations or additions, including the estimated cost of furnishings and equipment in the case of a hospital named in Group A, B, C or D in schedule 1; or
- (b) 50 per cent of that cost in the case of any other hospital named in schedule 1.

79i.—(1) Where a capital grant has been approved for the purpose of increasing the bed capacity of an existing hospital building by way of alteration or by adding one or more storeys, the capital grant shall be paid in instalments as follows:

- (a) one-quarter when one-quarter of the work is completed;
- (b) one-quarter when one-half of the work is completed;
- (c) one-quarter when three-quarters of the work is completed; and
- (d) the balance when the alteration or addition has been completed, furnished and equipped and is ready to receive patients.

(2) Where a capital grant has been approved for new construction or additions or alterations, other than those mentioned in subregulation 1, the grant shall be paid in instalments as follows:

- (a) one-quarter when the ground-floor construction and exterior walls have been completed;
- (b) one-quarter when the roof has been completed;
- (c) one-quarter when the interior of the building has been completed; and
- (d) the balance when the new construction, alteration or addition has been completed, furnished and equipped and is ready to receive patients.

79j.—(1) These regulations, except regulation 79i, shall extend to any new construction, additions or alterations where the work has been commenced but not completed before these regulations are filed under *The Regulations Act, 1944*.

(2) A grant heretofore made toward the cost of new construction, additions or alterations referred to in subregulation 1 shall be deducted from the capital grant.

Replacing O. Regs. 40/46 and 98/46.
Schedule for the Hard Furniture Industry—Ontario Zone.
Made—17th July, 1947.
Filed—21st July, 1947, 3.30 p.m.

REGULATIONS MADE UPON THE RECOMMENDATION OF THE MINISTER UNDER THE INDUSTRIAL STANDARDS ACT

1. The schedule appended hereto shall be in force during pleasure within the zone and be binding upon the employers and employees in the industry referred to in the schedule.

2. Ontario Regulations 40/46 and 98/46 are revoked.

3. The schedule shall come into force on the tenth day after the publication thereof in THE ONTARIO GAZETTE under *The Regulations Act, 1944*.

SCHEDULE FOR THE HARD FURNITURE INDUSTRY IN THE ONTARIO ZONE

1. No work shall be performed in the hard furniture industry in the Ontario zone except in accordance with this schedule.

HOURS OF WORK

2.—(1) The regular working periods for all employees in the hard furniture industry shall be as follows:

- (a) a regular working-week consisting of not more than 45 hours of work to be performed during the regular working-days; and
- (b) a regular working-day consisting of not more than 9 hours of work to be performed on Monday, Tuesday, Wednesday, Thursday, Friday or Saturday.

(2) Employees who are engaged only on night shifts of not more than 45 hours a week shall be deemed to be employed during a regular working-day and a regular working-week.

OVERTIME WORK

3.—(1) An employee who performs any work in the industry except as provided in section 2 shall be deemed to be doing overtime work.

(2) An employee who performs any work in the industry on Sunday, New Year's Day, Good Friday, Victoria Day, the first Monday in July, Civic Holiday, Labour Day, Thanksgiving Day and Christmas Day except while working on a night shift shall be deemed to be doing overtime work.

(3) The Monday following Victoria Day may be established by the employer as a holiday instead of Victoria Day.

(4) In subsection 2 "Civic Holiday" means a holiday only for that part of Ontario in which it is celebrated.

MINIMUM RATE OF WAGES FOR OVERTIME WORK

4. The minimum rate of wages for all overtime work shall be one and one-half times the rate payable to an employee for the work which he performs during the regular working periods.

SHIFTS

5.—(1) A person employed on a shift other than the regular day-shift shall be paid a premium of 5 cents an hour.

(2) The premium shall not be taken into account in computing the averages under sections 11 and 12.

CLASSIFICATION OF EMPLOYEES

6. The employees in the industry shall be classified as follows:

Class A—consisting of all employees other than those in Classes B and C;

Class B—consisting of employees with less than two and one-half years' experience in the industry who were under 21 years of age when they entered the industry and all female employees; and

Class C—consisting of male employees with less than one and one-half years' experience in the industry who were over 21 years of age when they entered the industry.

CLASS B EMPLOYEES

7. The number of employees in Class B in the plant of an employer shall not exceed 20 per cent of the total number of employees in the plant, but in plants where more than 50 per cent of the production consists of all-wood chairs the number of employees in Class B shall not exceed 25 per cent of the total number of employees in the plant.

8. The minimum rates of wages for employees in Class B shall be,—

- (a) during the first 6 months of employment in the industry, 36 cents an hour;
- (b) during the second 6 months of employment in the industry, 40 cents an hour;
- (c) during the third 6 months of employment in the industry, 44 cents an hour;

(d) during the fourth 6 months of employment in the industry, 48 cents an hour; and

(e) during the fifth 6 months of employment in the industry, 52 cents an hour.

CLASS C EMPLOYEES

9. The minimum rates of wages for employees in Class C shall be,—

(a) during the first 6 months of employment in the industry, 46 cents an hour;

(b) during the second 6 months of employment in the industry, 49 cents an hour; and

(c) during the third 6 months of employment in the industry, 52 cents an hour.

CLASS A EMPLOYEES

10. The minimum rate of wages for employees in Class A shall be 58 cents an hour.

GENERAL

11.—(1) The average rate of wages in each plant for employees in Class A and Class C combined shall be not less than 70 cents an hour.

(2) In computing the average rate of wages, the wages paid to a,—

(a) superintendent;

(b) manager;

(c) foreman; or

(d) person who has been granted a special rate under section 16,

shall not be included.

12. Where and as soon as,—

(a) an employer fails to maintain the average rate of wages applicable to his plant; or

(b) the number of his employees in Class B exceeds the limit set out in section 7,

the minimum rates shall be equal to the average rate of wages for so long as the condition exists.

13. No employer shall reduce the wages of an employee now receiving more than the minimum rate while performing the same work.

14. After the completion of his fifth period of 6 months of employment in the industry a male employee in Class B shall become an employee in Class A.

15. After the completion of the third period of 6 months of employment in the industry an employee in Class C shall become an employee in Class A.

ADVISORY COMMITTEE

16. The advisory committee may fix a special minimum rate of wages lower than the regular rate for an employee who is handicapped.

17. The advisory committee may issue a permit for the performance of overtime work on the production of church, theatre or school furniture and, notwithstanding the provisions of sections 4 and 5, may fix the wages at regular rates.

Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,
Clerk of the Legislative Assembly
of Ontario.

AUGUST 16th, 1947

THE CHEESE AND HOG SUBSIDY ACT, 1947

O. Reg. 139/47.

New.

Cheese Subsidy.

Made—17th July, 1947.

Filed—25th July, 1947, 11.00 a.m.

REGULATIONS MADE UNDER THE CHEESE AND HOG SUBSIDY ACT, 1941, AS CONTINUED IN FORCE BY THE CHEESE AND HOG SUBSIDY ACT, 1947

CHEESE SUBSIDY

INTERPRETATION

1. In these regulations,—

- (a) "Director" shall mean the Director of Dairying appointed under *The Dairy Products Act, 1938*; and
- (b) "net weight" shall mean the weight of the cheese as paid for by the purchaser.

AMOUNT OF SUBSIDY

2. The amount of the subsidy, to be computed from the 1st day of June, 1947, and paid out of the Consolidated Revenue Fund to every person who produces milk in Ontario which is processed into cheese on and after the 1st day of June, 1947, is fixed at two cents for each pound of cheese processed from that milk.

APPLICATION FROM SUBSIDY

3.—(1) Every application for a subsidy shall be made in triplicate in writing.

(2) One copy of the application shall be kept on file by the factory and the other two copies shall be forwarded to the Cheese Subsidy Division, Department of Agriculture, Parliament Buildings, Toronto, Ontario.

4. In every application the period for which a subsidy is claimed shall correspond with the payment period for which producers are paid for milk and the application shall state the correct net weight of the cheese.

5. Every application for a subsidy shall be accompanied by invoices or statements received from each purchaser showing the net weight of cheese paid for by the purchaser and the application shall include a statement of any cheese made for sale to patrons of the factory.

6. Applications for subsidies shall be sent to the Cheese Subsidy Division at least once a month.

GENERAL PROVISIONS

7. Subsidies which are payable to producers who have supplied milk to a cheese factory shall be paid to the factory as agent for the Treasurer of Ontario and pro-rated by the factory to the producers entitled to receive subsidies on the basis of the butter-fat content of the milk.

8. The cheese factories shall pro-rate the moneys received from the subsidies to producers who have supplied milk to the factories before the expiration of one month from the date of receiving the moneys.

9. The payment of the subsidy shall be based on the net weight of the cheese.

10. Every person engaged in the business of processing milk into cheese shall furnish information in respect to the milk or cheese and shall produce his books and records for the purpose of inspection or audit.

11. The Director and every officer under *The Dairy Products Act, 1938*, who has been authorized in writing by the Director, shall have authority to inspect or audit the books and records of cheese factories.

12. Where an error is made by a cheese factory in the pro-rating of the subsidy to any producer the factory shall correct the error in the manner and within the time specified by the Director.

13. Any subsidy payable to any person who fails to comply with any provision of the Act or these regulations may be withheld.

14. Every cheese factory shall give a statement to each producer for each payment period which statement shall include particulars of the amount of the cheese subsidy received from the Treasurer of Ontario to be paid to the producer.

Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

(1) Autumn;

- (a) naming the flowers in the school garden or from home gardens;
- (b) making bouquets of flowers from the school or home gardens;
- (c) naming the trees in neighbouring parks or fields;
- (d) tracing the outlines of leaves of such trees as maple, oak, elm and beech;
- (e) modelling seeds of such trees as maple, beech and oak;
- (f) collecting and naming coloured leaves;
- (g) watching for the first leaves to fall;
- (h) reporting on animals seen storing food for winter;
- (i) watching caterpillars spin their cocoons;
- (j) collecting cocoons of various kinds;
- (k) keeping a blackboard weather-calendar;
- (l) describing good homes for pets;
- (m) learning the names of Christmas trees; and
- (n) modelling evergreens or making plasticine lay-outs on paper.

(2) Winter:

- (a) examining snow flakes with hand lenses;
- (b) watching how ice forms on a pan of water;
- (c) making individual weather charts for one week;
- (d) finding out how wind helps people;
- (e) reading stories of familiar animals that sleep in winter and sketching the homes of some of them;
- (f) arranging paper stars to represent the Big Dipper and the North Star;
- (g) planting paper-white narcissi in water;
- (h) observing the bulbs planted in the autumn as they grow in the classroom;
- (i) caring for house plants in pots or window boxes;
- (j) learning how to keep healthy in winter;
- (k) talking about some common pets and how to care for them in winter;
- (l) discussing the value of the sun in giving warmth;
- (m) observing how melting snow forms little streams;
- (n) finding buds on trees and watching for the first signs of their changing;
- (o) keeping twigs in water in the classroom.

(3) Spring and early summer:

- (a) making a classroom bouquet of pussy-willows and pussy-poplars;
- (b) reporting in individual record-books the return of birds;
- (c) keeping a class bird-calendar;
- (d) learning to recognize a few bird calls;
- (e) arranging a few wild flowers in a bouquet;
- (f) learning to recognize the common wild flowers of the locality;
- (g) keeping up a blackboard calendar entitled "Signs of Spring";
- (h) noticing where grass and other plants grow fastest in spring;
- (i) learning to recognize our common spring flowering-shrubs as they bloom;

- (j) finding out which garden plants bloom earliest;
- (k) learning to know fruit trees by their blossoms;
- (l) watching how earthworms come out at night and withdraw when approached;

- (p) planting bulbs for winter bloom and caring for them;
- (q) finding out what animals of the locality go to sleep for the winter;
- (r) collecting and feeding caterpillars;
- (s) watching caterpillars spin their cocoons;
- (t) preparing boxes for cocoons to be placed outside;
- (u) keeping up a blackboard chart "How Nature Gets Ready for Winter";
- (v) explaining how to feed pets;
- (w) noticing how trees get ready for winter;
- (x) sketching the branching of the elm and the maple;
- (y) modelling the bark of such trees as maple, elm and oak;
- (z) collecting bitter-sweet and cat-tails for indoor bouquets;
- (za) making cardboard cut-outs of evergreens for sand-table scenes.

(2) Winter:

- (a) examination of snow-flakes with hand lenses;
- (b) making snow-flake books and using white paper therefor;
- (c) discussing the values of snow and ice;
- (d) making a wind-vane to tell the direction of the wind;
- (e) finding out the relation between the wind and the weather;
- (f) feeding winter birds at school and at home;
- (g) identifying animal tracks in the snow;
- (h) making sketches of animal tracks;
- (i) discovering the winter homes of animals;
- (j) caring for bulbs planted in the autumn;
- (k) caring for house plants in pots and window boxes;
- (l) finding out which plants like the sun;
- (m) learning how to keep healthy in winter;
- (n) finding out what fruits we get from other lands in winter;

- (o) caring for gold-fish in suitable aquaria;
- (p) discovering how fish swim and eat;
- (q) observing the lengthening of the days;
- (r) finding out why snow melts first on southern slopes;
- (s) watching winter buds as they begin to open;
- (t) observing the liquid in the thermometer.

(3) Spring and early summer:

- (a) making a classroom bouquet of buds;
- (b) reporting the return of the birds and keeping individual records thereof;
- (c) keeping a class bird-calendar;
- (d) reporting on observations of birds making nests;
- (e) making bird-houses and shelters;
- (f) planning and making bird-baths;
- (g) learning to recognize bird calls;
- (h) organizing an Audubon Club;
- (i) finding out which wild flowers should not be picked;
- (j) arranging a few wild flowers in a bouquet;
- (k) talking about how we may conserve our wild flowers;
- (l) learning to know the common wild flowers;
- (m) watching butterflies and moths emerging from cocoons;
- (n) learning the names of common moths and butterflies;
- (o) keeping eggs of frogs or toads in the classroom;
- (p) studying the development of tadpoles;
- (q) watching fruit forming after the blossoms fall;
- (r) planting a small flower or vegetable garden at home;
- (s) assisting in the care of the school and home gardens;
- (t) watching how earthworms come out at night and withdraw when approached;
- (u) trying to find out how a frog or a toad catches an insect;
- (v) discussing the value of snakes;
- (w) finding out which forest trees have flowers easily seen;
- (x) making a collection of pictures to represent spring.

4. Grade IV,—

(1) Autumn:

- (a) identification and removal of weeds on the school grounds;
- (b) a nature-study excursion through the school grounds;
- (c) recognition of common annual flowering plants in the school garden;
- (d) study of 2 flowering plants;
- (e) recognition of common trees and shrubs of the roadside and streets;
- (f) recognition of 4 autumn wild flowers;

- (j) recognition of 2 insect enemies and 2 insect friends;
- (k) study of the feeding and locomotion habits of some common insect;
- (l) finding, identifying and rearing caterpillars found in garden;
- (m) study of nature's need and devices for seed dispersal;
- (n) identifying fruits suitable for bird food;
- (o) collecting and identifying various kinds of autumn fruits;
- (p) collecting and storing flower seeds, gladioli and dahlias;
- (q) finding out why birds go south;
- (r) planting bulbs outside for spring bloom;
- (s) planting bulbs indoors in soil for winter bloom; and

- (t) observation of how animals are preparing for winter.

(2) Winter:

- (a) examination of snow-flakes;
- (b) drawing of snow-flakes;
- (c) discussion of the effects of frost;
- (d) a class bird-feeding project;
- (e) taking a census of winter birds;
- (f) keeping a blackboard weather-calendar for the month of January;
- (g) recording the position and time of sunrise and sunset;
- (h) determining the length of each day for a few days;
- (i) measuring and recording the length of the midday shadow;
- (j) discussion of the sun as the source of heat;
- (k) discussion of the sources of heat in our homes;
- (l) recognizing the kinds of fuel used in our homes;
- (m) examination of a piece of coal;
- (n) the story of a piece of coal from the mine to the home;
- (o) how wild animals spend the winter;
- (p) discussion of the winter homes of wild animals;
- (q) study of animals' methods of conserving body heat;
- (r) the use of wild animals to man and how we should protect them;
- (s) demonstration of the value of woollens as insulators; and
- (t) a discussion of how to wash woollens properly.

(3) Spring and early summer:

- (a) making and decorating a bird-calendar on the blackboard;
- (b) discussion of the return of birds from their winter homes;
- (c) keeping of individual observation-records of bird activities;
- (d) practising a few calls of common birds until birds respond;
- (e) setting up a bird-bath and a bird feeding-table and using crumbs from lunches therefor;
- (f) holding regular meetings of an Audubon Club;
- (g) recording changes of bird activities as the season advances;
- (h) recognition of flowering bulbs in the school and home gardens;
- (i) making a blackboard calendar of common wild flowers;
- (j) starting garden annuals in pots or boxes in the classroom;
- (k) collecting frogs' eggs and watching them hatch;
- (l) making a blackboard calendar in May of all garden flowers in bloom;
- (m) studying the life history of the trillium;
- (n) transplanting seedlings from flats;
- (o) planning a vegetable garden at school or at home;
- (p) planting and caring for a school or home garden;
- (q) planning summer care of the garden;
- (r) transplanting wood ferns to shady corners in the school grounds;
- (s) learning how to care for a lawn; and
- (t) recognition of a few garden plants in the seedling stage.

5. Grade V,—

(1) Autumn:

- (a) identification and removal of weeds near the school;
- (b) identification of annuals in the school garden;
- (c) study of two flowering plants not previously studied;

- (d) identification of trees and shrubs of the community;
 - (e) individual and classroom calendars of autumn colours of trees;
 - (f) study of the habitat and habits of 5 common weeds not previously studied;
 - (g) potting of such flowers as the geranium and coleus from the garden for winter bloom;
 - (h) making cuttings of the geranium and coleus for the school garden next spring;
 - (i) learning to make up a suitable soil mixture for bulbs and indoor plants;
 - (j) study of the cabbage butterfly;
 - (k) learning how spiders spin webs and how they catch prey;
 - (l) setting up a spider home indoors and finding spider's eggs;
 - (m) finding out how the animals are getting ready for winter;
 - (n) gathering fish, snails, a clam and tadpoles for a classroom aquarium;
 - (o) recognition of 5 common nut-bearing trees;
 - (p) learning to recognize plant foes such as poison-ivy;
 - (q) recognition of common bulbs by their colour, shape and size;
 - (r) planting of bulbs indoors and outdoors;
 - (s) keeping a weather chart for November and noting winds, cloudiness and frosts thereon;
 - (t) study of the changes in plants to meet winter;
 - (u) finding out why and how trees get rid of their leaves.
 - (v) discovering why evergreens do not need to shed their leaves annually;
 - (w) recognition of all common evergreen trees of the locality; and
 - (x) how garden plants should be protected for winter.
- (2) Winter:
- (a) recognition of common trees by their shapes and buds;
 - (b) discussion of the value of forests in their natural state;
 - (c) sketching and naming common leafless and evergreen trees;
 - (d) keeping twigs of fruit trees and flowering shrubs in water;
 - (e) finding cocoons in the bark of apple trees;
 - (f) searching for eggs of tent caterpillars on twigs of wild cherry-trees;
 - (g) observation of how ice forms;
 - (h) discussion of the uses of ice to man;
 - (i) study of the position of snow drifts;
 - (j) study of the moon, its size, distance, motions and how we see it;
 - (k) observation of the moon at successive hours for one evening;
 - (l) a blackboard chart of one month's daily observations of the moon;
 - (m) drawing the 4 phases of the moon from personal observations;
 - (n) study of water in relation to health;
 - (o) discussion of drinks that are good for children; and
 - (p) explanation of digestion as a process.
- (3) Spring and early summer:
- (a) keeping of individual bird-calendars which set out the return of birds;
 - (b) keeping a blackboard bird-calendar;
 - (c) discussion of the enemies and protection of birds;
 - (d) holding regular meetings of an Audubon Club;
 - (e) making individual and blackboard leaf-calendars;
 - (f) finding the flowers of such trees as maple, elm, willow, poplar and oak;
 - (g) classifying spring flowers by colour as they bloom;
 - (h) making artistic bouquets of garden flowers and a few wild flowers;
 - (i) studying the life history of the dog's-tooth violet;
 - (j) planting garden seeds in flats;
 - (k) making a hotbed at the school or home and growing plants in it;
 - (l) studying why the trillium dies when the flower is picked;
 - (m) making a calendar showing dates of bloom of garden perennials;
 - (n) studying the nesting habits of birds;
 - (o) finding out how to plant and care for 3 vegetables;
 - (p) recognition and control of 2 kinds of insects injurious to garden plants;
 - (q) learning how to prune roses and shrubs in the school yard or at home;
 - (r) observations of the work of honey-bees visiting spring flowers;
 - (s) discussion of the home life of honey-bees;
 - (t) discussion or demonstration of the hatching of chicks;
 - (u) discussion and practice of cultivation of gardens;
 - (v) recognition of common flowering shrubs by their size, shape and flowers;
 - (w) planning the summer care of the garden; and
 - (x) discussion of the relation of sunlight to the health of man.
6. Grade VI,—
- (1) Autumn:
- (a) identification and removal of weeds;
 - (b) preparation of the garden for best appearance during autumn;
 - (c) keeping the classroom constantly supplied with bouquets of named flowers;
 - (d) study of how flowers are fitted to produce seeds;
 - (e) study of how climbing plants of the garden are fitted for their mode of life;
 - (f) searching in the garden for plants not previously recognized;
 - (g) studying the adaptations of the dandelion, plantain and chickweed for survival;
 - (h) study of the house-fly in its relation to health;
 - (i) observations of the habits of ants and keeping an ant colony in the classroom for that purpose;
 - (j) investigating various methods by which animals store food for winter;
 - (k) identification of some wild fruit trees or vines upon which birds feed;
 - (l) study of the codling-moth, its life habits, injury to apples and control;
 - (m) planting bulbs for indoor and outdoor bloom;
 - (n) gathering suitable everlasting flowers and plant materials for bouquets;
 - (o) preparing the garden for winter;
 - (p) making a classroom display of common varieties of fruit, correctly labelled;
 - (q) learning how to store fruits and vegetables for winter;
 - (r) discussion of how soil is formed;
 - (s) keeping a classroom weather chart for December;
 - (t) taking a census of birds' nests in a given area; and
 - (u) planning a bird-feeding project for the winter.
- (2) Winter:
- (a) making a snow-flake book of paper models;
 - (b) recording the amount of snowfall for January on the blackboard;
 - (c) calculating the amount of rainfall which equals any given fall of snow;
 - (d) discussion of how snow aids plant life in winter;
 - (e) discussion of enemies of trees and of forests;
 - (f) study of methods of forest protection;
 - (g) reporting on the value of winter birds;

- (h) protecting and attracting winter birds about the school by feeding them;
 - (i) discussion of how birds are adapted to keep warm in winter;
 - (j) growing bulbs in soil and water in the classroom;
 - (k) finding out how a bulb is fitted to bloom so soon after planting;
 - (l) recognition of common house plants in the home and classroom;
 - (m) demonstration of how to care for house plants in the classroom.
 - (n) making diagrams of familiar constellations at 8.00 p.m.;

 - (b) erecting bird houses and feeding places, and watering places;
 - (c) holding an early-morning bird excursion;
 - (d) forming a "Field Naturalists' Club";
 - (e) stocking an aquarium with suitable pond-life;
 - (f) keeping up a class flower-calendar of fruit and forest trees;
 - (g) making a flower calendar of garden shrubs;
 - (h) studying the habits and control of 2 insects injurious to trees;
 - (i) taking a census of wild flowers;
 - (j) finding and destroying nests of tent-caterpillars;
 - (k) finding out how to recognize fruit trees by their bloom;
 - (l) planning a garden design;
 - (m) starting the plants for this design indoors;
 - (n) planning a border along the side of the school yard;
 - (o) planting perennials, trees and shrubs and annual plants in the border;
 - (p) transplanting suitable shrubs or trees from forests to the school yard;
 - (q) studying the life history of the hepatica;
 - (r) identification of common butterflies and moths;
 - (s) observing the life history of mosquitoes in a pail of ditch water;
 - (t) demonstrating the control of mosquitoes by kerosene;
 - (u) maintaining a cold-frame at the school or home;
 - (v) finding out the names, habits and uses of some common climbing plants;
 - (w) recognition of common vegetable seeds;
 - (x) planting of a vegetable garden and caring for it;
 - (y) planting some flowering bulbs such as dahlias and gladioli; and
 - (z) arranging for the summer care of the school garden and grounds.

PART V

ARITHMETIC

1. Grade I,—

- (1) Informal experiences with numbers:
 - (a) arising from classroom situations; and
 - (b) growing out of enterprises and activities of the class.
- (2) Our number system:
 - (a) whole numbers,—
 - (i) development of number concepts;
 - (ii) use of number pictures;
 - (iii) counting such things as objects up to 20;
 - (iv) rote counting to 100;
 - (v) counting by 2's to 20;
 - (vi) counting by 10's to 100;
 - (vii) writing numbers in figures to 10;
 - (viii) recognition of numbers to 100; and
 - (ix) meaning of ordinals, first to fifth; and
 - (b) fractions, the meaning of one-half without using a numerical form.
- (3) The fundamental operations:
 - (a) addition and subtraction facts to 10, as learned by repeated experience with objects;
 - (b) counting objects by 2's to 20; and
 - (c) grouping not more than 10 objects in 2's.
- (4) Measurement:
 - (a) meaning and use of terms,—
 - (i) relating to size such as big, bigger, biggest, short and long;
 - (ii) relating to position such as under, over, around, first, last and next;
 - (iii) relating to form such as line, point, square, round and straight;
 - (iv) relating to quantity such as many, more, most, some and few;
 - (v) relating to time such as morning, afternoon, night and yesterday;
 - (vi) coins, cent, five cents and ten cents; and
 - (vii) stamps, 1-, 2-, 3- and 4- cent.
- (5) Problems:
 - (a) oral problems in story form,—
 - (i) related to experiences of children in the classroom;
 - (ii) arising from activities and enterprises;
 - (iii) involving counting;
 - (iv) involving comparison of size and quantities; and
 - (v) involving addition and subtraction within the limits of 10, to be solved objectively.

2. Grade II,—

- (1) Our number system:
 - (a) whole numbers,—
 - (i) counting continued and extended beyond 100;
 - (ii) counting by 100's to 1,000;
 - (iii) counting by 2's, 10's, 5's and 4's;
 - (iv) counting backwards by 1's, 10's, 2's and 5's;
 - (v) reading of numbers to 1,000;
 - (vi) writing of numbers in figures to 100; and
 - (vii) meaning of ordinals to tenth; and
 - (b) fractions, the meaning of one-half and one-quarter without using a numerical form.
- (2) The fundamental operations:
 - (a) mastery of addition and subtraction facts to 10;
 - (b) extensions in higher decades of facts to 10;
 - (c) single-column addition of not more than 5 digits;
 - (d) addition of two-digit numbers but no carrying and limited to three addends;
 - (e) subtraction of two-digit numbers but no borrowing or carrying;
 - (f) meaning and use of terms add, subtract, sum and answer but no formal definitions thereof;
 - (g) grouping objects of not more than 20 in 2's and 3's; and
 - (h) simple oral problems.
- (3) Measurement:
 - (a) meaning and use of terms relating to such things as size and quantity;
 - (b) measuring with the inch, the foot, the pint and the quart,—

- (i) relationships discovered by actual experience; and
- (ii) simple oral problems;
- (c) familiarity with Canadian coins,—
 - (i) relationships learned by experiences;
 - (ii) purchasing power of each; and
 - (iii) making change using known facts;
- (d) meaning and use of "hour," "day" and "week";
- (e) telling time to 5 minute intervals; and
- (f) reading Roman numerals to XII.
- (4) Problems:
 - (a) based on children's actual experience;
 - (b) involving counting and the reading of numbers;
 - (c) oral one-step problems in addition and subtraction;
 - (d) written one-step problems; and
 - (e) training in problem-solving,—
 - (i) reading the problem;
 - (ii) noting what is to be found;
 - (iii) deciding whether to add or subtract; and
 - (iv) verifying the result.

3. Grade III,—

- (1) Our number system:
 - (a) whole numbers,—
 - (i) reading and writing in figures Arabic numbers to 10,000 and instruction in the place-value of units, tens, hundreds and thousands; and
 - (ii) reading and writing Roman numerals to XX; and
 - (b) fractions, the meaning and expression of $\frac{1}{2}$, $\frac{1}{4}$, and $\frac{1}{8}$, using numbers.
- (2) The fundamental operations:
 - (a) addition,—
 - (i) diagnosis of individual weaknesses in facts to 10 and individual corrective teaching where necessary;
 - (ii) facts of numbers 11 to 18;
 - (iii) extension in higher decades;
 - (iv) single-column addition limited to 6 addends;
 - (v) addition of two-figure numbers with carrying but limited to 4 addends;
 - (vi) addition of three-figure numbers with and without gaps but limited to 3 addends;
 - (vii) meaning and use of the terms "column", "zero", "carry", "carrying", "plus" and the symbol "+", but without formal definitions;
 - (viii) Canadian money limited to 3 digits; and
 - (ix) checking by adding down;
 - (b) subtraction,—
 - (i) diagnosis of individual weaknesses in facts to 10 and individual corrective teaching where necessary;
 - (ii) combinations of numbers from 11 to 18 taught in connection with addition facts;
 - (iii) subtracting two- and three-digit numbers with and without borrowing or carrying;
 - (iv) careful treatment of "zero" difficulties;
 - (v) meaning and use of the terms "less", "remainder", "borrow", "borrowing", "minus" and the symbol "—", but without using formal definitions; and
 - (vi) checking by adding remainder and subtrahend; and
 - (c) multiplication,—
 - (i) counting by 2's, 3's, 4's and 5's to 50;
 - (ii) the 2-, 3-, 4- and 5-times tables;
 - (iii) multiplying two- and three-digit numbers by 2, 3, 4 and 5;
 - (iv) meaning and use of terms "multiplication", "multiply", "times", the symbol "X" read as "times" or "multiplied

- by", but without using formal definitions; and
- (v) checking by reworking.

- (3) Measurement:
 - (a) units of length,—
 - (i) measuring and estimating in inches, feet, inches and half-inches, and feet and inches;
 - (ii) meaning of "yard" and the relation of yards, feet and inches;
 - (iii) measuring in yards, and yards and feet;
 - (iv) easy oral reductions in yards and feet; and
 - (v) meaning of the terms height, depth, thickness and breadth;
 - (b) liquid measure,—
 - (i) measuring and estimating in half-pints, pints, quarts, and quarts and pints;
 - (ii) meaning of "gallon" and the relationship of pint, quart and gallon; and
 - (iii) easy oral reductions in gallons and quarts, and quarts and pints;
 - (c) units of time,—
 - (i) month and minute and the relationship of minute and hour, hour and day, day and week, and week and month, but no reductions thereof;
 - (ii) telling time to nearest five-minute division;
 - (d) units of money,—
 - (i) work of grade II extended to include dollars; and
 - (ii) reading and writing of amounts of money in cents such as 65c or 65 cents, in dollars such as \$2 or \$2.00, in dollars and cents such as \$3.45, and in cents expressed as dollars such as \$.45;
 - (e) meaning of the terms,—
 - (i) pair, dozen, half-dozen and score; and
 - (ii) square, triangle and half-circle; and
 - (f) simple oral problems.
- (4) Problems:
 - (a) one-step, oral and written,—
 - (i) generous practice in oral solution;
 - (ii) formal solutions not required; and
 - (iii) solved mentally when possible; and
 - (b) training in problem-solving,—
 - (i) reading the problem;
 - (ii) determining what is to be found;
 - (iii) selecting the necessary data;
 - (iv) deciding whether to add, subtract or multiply; and
 - (v) verifying the result.

4. Grade IV,—

- (1) Our number system:
 - (a) whole numbers,—
 - (i) reading and writing in figures Arabic numerals to 5 digits and instruction in place-value up to ten thousands; and
 - (ii) reading and writing Roman numerals to XXX; and
 - (b) fractions, the meaning and expression of $\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{4}$, $\frac{1}{5}$, $\frac{1}{6}$ and $\frac{1}{8}$ in relation to an object, a small group and denominate numbers.
- (2) The fundamental operations:
 - (a) addition,—
 - (i) diagnosis of the following individual weaknesses with individual remedial treatment therefor:
 - in basic addition facts;
 - in higher decade extensions;
 - in arranging in columns;
 - in ability to carry; and
 - in dealing with zero;
 - (ii) single-column addition, the total not to exceed 100;
 - (iii) addition of two-digit numbers but limited to 5 addends;

- (iv) addition of three-digit numbers but limited to 4 addends;
- (v) adding Canadian money to \$10;
- (vi) oral problems; and
- (vii) checking by adding down;
- (b) subtraction,—
 - (i) diagnosis of individual weaknesses in the following:
 - in basic facts;
 - understanding the borrowing or carrying process; and
 - difficulties with zero;
 - (ii) subtracting four digit numbers as follows:
 - borrowing or carrying in one column;
 - in 2 consecutive columns;
 - in 2 columns not consecutive;
 - in 3 columns; and
 - zero difficulties and empty spaces;
 - (iii) subtracting Canadian money, amounts less than \$10; and
 - (iv) checking by adding remainder and subtrahend;
- (c) multiplication,—
 - (i) diagnosis of individual weaknesses in the use of the 2, 3, 4 and 5 times tables and in carrying, with individual corrective treatment therefor;
 - (ii) the 6, 7, 8, 9 and 10 times tables;
 - (iii) multiplying two- and three-digit numbers,—
 - by single digits to 9;
 - by 10 the short method; and
 - by two-digit multipliers without and with zero difficulties;
 - (iv) meaning of "multiplier";
 - (v) multiplying Canadian money by one-figure multipliers but with the product not in excess of \$100; and
 - (vi) checking by reworking; and
- (d) division,—
 - (i) meaning of process;
 - (ii) division acts;
 - (iii) division of two- and three-digit numbers by a one-digit divisor;
 - (iv) meaning of the terms "division", "divide", "divided by", "divisor", "dividend", "quotient" and "remainder", and an explanation that the symbol " \div " is read as "divided by";
 - (v) dividing dollars and cents by a one-figure divisor with the dividend not to exceed \$10; and
 - (vi) checking by multiplication.
- (3) Measurement:
 - (a) measuring and estimating,—
 - (i) inches, feet and yards; and
 - (ii) pints, quarts and gallons, and their relationships and abbreviations;
 - (b) meaning of "pound" and "ounce",—
 - (i) actual experience in weighing;
 - (ii) estimating weights and checking by weighing;
 - (iii) articles purchased by the ounce and the pound for the home; and
 - (iv) reduction of pounds, or pounds and ounces, to ounces;
 - (c) units of time,—
 - (i) relationships of seconds, minutes, hours, days, weeks and years;
 - (ii) organization in table form;
 - (iii) abbreviations;
 - (iv) number of days in each month;
 - (v) telling time to nearest minute; and
 - (vi) meaning and use of the terms "leap year", "a.m.", "p.m.", "noon" and "midnight";
 - (d) reading the thermometer and the meaning of temperature, degree, freezing-point, boiling-point and zero;
 - (e) Canadian money,—
 - (i) reading and writing in figures of amounts to \$100; and
 - (ii) making change from amounts up to \$5; and
 - (f) simple stories of the origin of our units of measure.
- (4) Problems:
 - (a) oral problems using one operation;
 - (b) oral problems requiring two operations when one step is a simple reduction;
 - (c) written one- and two-step problems,—
 - (i) arising out of ordinary child-life situations;
 - (ii) solved in oral statements; and
 - (iii) calculations performed mentally when possible; and
 - (d) training in problem-solving,—
 - (i) reading the problem;
 - (ii) determining what is to be found;
 - (iii) selecting or calculating the necessary data;
 - (iv) deciding on the process; and
 - (v) verifying the result.
- 5. Grade V,—
 - (1) Our number system:
 - (a) whole numbers,—
 - (i) reading and writing in figures Arabic numbers up to 6 digits and instruction in place-value up to hundred-thousands; and
 - (ii) reading and writing Roman numerals to C;
 - (b) fractions:
 - (i) meaning and use of $2/3$, $3/4$, $2/5$, $3/5$, $4/5$, $5/6$, $3/8$, $5/8$ and $7/8$; and
 - (ii) equivalent fractions up to eighths; and
 - (c) stories of the growth of our number system.
 - (2) The fundamental operations:
 - (a) addition with whole numbers:
 - (i) study of the following individual weaknesses with remedial treatment therefor as required:
 - in basic addition facts;
 - in higher decade extensions;
 - in arranging in neat columns;
 - in ability to carry; and
 - in dealing with zero;
 - (ii) column addition of three- and four-digit numbers without gaps and with gaps but limited to 5 addends;
 - (iii) adding Canadian money; and
 - (iv) checking by adding down;
 - (b) subtraction with whole numbers:
 - (i) study of individual weaknesses as follows:
 - in basic facts;
 - in understanding the borrowing or carrying process; and
 - difficulties with zero;
 - (ii) subtracting five- and six-digit numbers as follows:
 - borrowing or carrying in 4 consecutive columns;
 - in 3 columns, not consecutive;
 - with emphasis on zero difficulties and empty spaces; and
 - (iii) checking by adding remainder and subtrahend;
 - (c) multiplication with whole numbers:
 - (i) study of individual weaknesses,—
 - in tables;
 - in carrying; and
 - in difficulties with zero;
 - with remedial teaching as required;
 - (ii) multiplying three-digit numbers by a three-digit multiplier without and with zero difficulties;
 - checking by reworking;
 - (d) division with whole numbers:

- (i) study of individual difficulties,—
 - in division facts;
 - in steps of the process; and
 - with zeros;
 - (ii) dividing by a one-digit divisor using long form;
 - (iii) dividing by two-digit divisors but with the dividend not exceeding five digits; and
 - (iv) checking by multiplication;
 - (e) addition and subtraction of common fractions,—
 - (i) with like denominators;
 - (ii) with one fraction to be changed;
 - (iii) sum of fractions less than unity; and
 - (iv) sum of fractions unity or greater and changing the result to a mixed number; and
 - (f) finding a fraction of a number, the fraction being small and commonly used.
- (3) Measurement:
- (a) measuring and estimating, using known units;
 - (b) oral problems involving measurement;
 - (c) the mile in actual experiences;
 - (d) relationship of inches, feet, yards and miles;
 - (e) organization in table form of inches, feet, yards and miles, and their abbreviations;
 - (f) the rod, its meaning and use and its relationship to mile and yard;
 - (g) the peck and the bushel, their meaning and use;
 - (h) relationship of pints, quarts, gallons, pecks and bushels;
 - (i) organization in table form of pints, quarts, gallons, pecks and bushels, and their abbreviations;
 - (j) the ton and the hundredweight as items of information;
 - (k) relationship of ounces, pounds, hundredweight and tons;
 - (l) organization in table form of ounces, pounds, hundredweight and tons, and their abbreviations;
 - (m) reading the thermometer;
 - (n) use of units of time; and
 - (o) simple stories of the origin of our units of measure.
- (4) Problems:
- (a) oral and written one- and two-step problems,—
 - (i) arising out of ordinary life situations;
 - (ii) logical oral explanations of solution;
 - (iii) written solutions in simplest possible form and expressing accurate thought;
 - (iv) neat, orderly arrangement of written work; and
 - (v) calculations performed mentally when possible; and
 - (b) training in problem-solving,—
 - (i) reading the problem;
 - (ii) determining what is to be found;
 - (iii) deciding what data is necessary;
 - (iv) selecting or calculating the necessary data;
 - (v) deciding on the process; and
 - (vi) verifying the result.
6. Grade VI,—
- (1) Our number system:
- (a) whole numbers:
 - (i) reading and writing in figures of large numbers as required in work of other subjects;
 - (ii) place-value to millions and the use of commas in marking off large numbers;
 - (iii) interpretation of Roman numerals as found on corner stones and on the title pages of books; and
 - (iv) stories of the growth of our number system such as its introduction into Europe and its supplanting the Roman system;
 - (b) common fractions:
 - (i) meaning and use of fractions in common use;
 - (ii) inches as twelfths of a foot;
 - (iii) ounces as sixteenths of a pound; and
 - (iv) tenths, hundredths and thousandths; and
 - (c) decimal fractions:
 - (i) reading and writing of decimals to 3 places;
 - (ii) the decimal equivalents of $1/2$, $1/4$, $3/4$, $1/8$, $2/5$, $3/5$ and $4/5$;
 - (iii) meaning of the terms "decimal point" and "decimal place"; and
 - (iv) oral problems.
- (2) The fundamental operations:
- (a) with whole numbers:
 - (i) diagnosis of individual weaknesses in the 4 fundamental operations and remedial instruction where necessary;
 - (ii) practice in addition, subtraction and multiplication using examples which occur in ordinary life;
 - (iii) division by three-digit divisors and expressing the remainder as a quotient in fractional form;
 - (b) with common fractions:
 - (i) addition and subtraction and finding the common denominator by inspection;
 - (ii) oral problems;
 - (iii) finding fractional parts of a whole number; and
 - (iv) finding what fraction one whole number is of another; and
 - (c) with decimal fractions, addition and subtraction to 3 places.
- (3) Measurement:
- (a) measuring and estimating with known units;
 - (b) meaning of square inch, square foot and square yard;
 - (c) actual experience in measuring surfaces available in classroom;
 - (d) extensive use of cardboard square inch and square foot;
 - (e) estimating areas and checking by measuring;
 - (f) finding area by using dimensions in the same denomination;
 - (g) meaning and use of square rod, acre and square mile as items of information; and
 - (h) relationships between units of area and abbreviations thereof;
 - (i) English money,—
 - (i) as items of information; and
 - (ii) relationship of English coins to Canadian coins;
 - (iii) abbreviations of English money; and
 - (j) stories of the origin of units of measure.
- (4) Problems:
- (a) practical one-, two- and three-step problems,—
 - (i) based on real-life situations;
 - (ii) related to children's needs and experiences;
 - (iii) emphasis on oral solution of problems with and without computations;
 - (iv) written solutions to be orderly and intelligible;
 - (v) in simplest possible form; and
 - (vi) type solutions to be avoided;
 - (b) use of problems made or suggested by pupils arising from such things as classroom activities, games and home-life experiences;
 - (c) keeping of children's cash accounts showing sums received and spent;
 - (d) understanding bills made and receipted by such persons as the grocer;
 - (e) training in problem-solving,—
 - (i) interpreting the problem;
 - (ii) determining what data is necessary;

- (iii) finding the necessary data in the problem as stated in previous problems, in reference tables and from other sources; and estimating the reasonableness of the answer and verifying the result; and
- (f) voluntary arithmetical recreations consisting of one or two problems on a side blackboard each Monday or Tuesday and explained the Friday next following by any child who can.

PART VI

MUSIC

1. Grade I,—

- (1) Singing:
 - (a) at least 40 rote songs to be learned; and
 - (b) the elimination of monotones begun.
- (2) Rhythmic response:
 - (a) controlled rhythmic movement to music including,—
 - (i) walking, marching and stepping;
 - (ii) running, skipping and jumping; and
 - (iii) swaying, rocking and gliding;
 - (b) free rhythmic movement to music,—
 - (i) listening to what the music says; and
 - (ii) expression in bodily movements;
 - (c) action songs and singing games;
 - (d) rhythm bands; and
 - (e) simple dances.
- (3) Learning to listen:
 - (a) songs for children;
 - (b) descriptive music;
 - (c) voices of the orchestra; and
 - (d) quiet listening.

2. Grade II,—

- (1) Singing:
 - (a) at least 40 rote songs to be learned during the school year;
 - (b) the elimination of monotones completed;
 - (c) use of the staff begun in the second term and known songs sung with the staff on the blackboard;
 - (d) practice on the diatonic scale;
 - (e) unison and individual singing of the scale with intervals as required in songs;
 - (f) explanation of the staff as required for grade I songs,—
 - (i) practice in reading simple phrases from staff; and
 - (ii) practice in writing on the staff in books and on the blackboard;
 - (g) new songs taught by rote and sung with the staff on the blackboard in the third term;
 - (h) singing from the blackboard easy sight phrases in syllables after the first note has been given; and
 - (i) a simple incidental and informal explanation of staff notation.
- (2) Rhythmic response:
 - (a) controlled rhythmic movement;
 - (b) continuation of activities for grade I;
 - (c) free rhythmic movement as prescribed for Grade I;
 - (d) action songs and singing games;
 - (e) rhythm bands; and
 - (f) simple dances.
- (3) Learning to listen:
 - (a) descriptive music;
 - (b) voices of the orchestra; and
 - (c) quiet listening.

3. Grade III,—

- (1) Singing:
 - (a) at least 40 songs to be learned during the school year with encouragement of individual work;
 - (b) use of a song book, which contains many songs already learned to be begun;
 - (c) first songs read from the song book shall be known songs;
 - (d) new songs still taught by rote with the staff on the blackboard;
 - (e) practice in use of the staff,—
 - (i) reading familiar phrases and new phrases; and
 - (ii) writing on the blackboard or work-book staff;
 - (f) practice on the diatonic scale with intervals as required in songs;
 - (g) new songs to be taught by rote from the book in the second term, with the children reading as they sing;
 - (h) the reading of songs shall be gradual, incidental, inductive and voluntary.
- (2) Rhythmic response:
 - (a) rhythmic movements as in grade I;
 - (b) rhythm band;
 - (c) toy orchestra; and
 - (d) simple dances.
- (3) Learning to listen:
 - (a) descriptive music;
 - (b) voices of the orchestra; and
 - (c) quiet listening.

4. Grade IV,—

- (1) Singing:
 - (a) songs,—
 - (i) at least 30 to be learned during the school year;
 - (ii) sung from the book usually;
 - (iii) difficult phrases sung from the blackboard; and
 - (iv) frequent use of syllables and time names;
 - (b) occasional use of rounds which shall be learned by rote and sung softly;
 - (c) practice on the staff,—
 - (i) reading and writing familiar phrases;
 - (ii) singing at sight new phrases, the teacher giving the first note; and
 - (iii) writing easy phrases sung to syllables with the teacher giving the position of doh;
 - (d) sight reading of songs commencing in the second term but with reading still incidental to singing,—
 - (i) position and sound of doh to be given by the teacher; and
 - (ii) meaning of such terms as "key signature" to be explained carefully by the teacher; and
 - (e) practice on the diatonic scale,—
 - (i) intervals as required in songs; and
 - (ii) a constant effort to secure light clear tones.
- (2) Rhythmic response:
 - (a) singing games; and
 - (b) easy folk dances.
- (3) Listening:
 - (a) descriptive music;
 - (b) recognition of instruments; and
 - (c) quiet listening.

5. Grade V,—

- (1) Singing:
 - (a) songs,—
 - (i) at least 30 songs, including national and folk songs, to be learned during the school year;

- (ii) taught by rote when the notation is too difficult; and
- (iii) some of the songs to be the minor mode;
- (b) two-part songs,—
 - (i) at least 10 to be learned;
 - (ii) each part taught as a sight song; and
 - (iii) key note or first note to be given by the teacher together with an explanation that "reading" is an aid to singing;
- (c) practice on the staff,—
 - (i) reading and writing short phrases;
 - (ii) singing at sight new phrases the teacher giving the first note;
 - (iii) writing phrases as sung with the teacher giving the position of doh; and
 - (iv) technicalities of notation to be explained as met but with familiarity thereof a gradual growth and isolated drill avoided; and
- (d) practice on scales,—
 - (i) intervals and tone groups as met in songs; and
 - (ii) introduction of the sharpened fourth when met in song.
- (2) Rhythmic response:
 - (a) singing games; and
 - (b) easy folk dances.
- (3) Listening:
 - (a) descriptive music;
 - (b) recognition of instruments; and
 - (c) quiet listening.

6. Grade VI,—

- (1) Singing:
 - (a) songs,—
 - (i) at least 30 songs, including national and folk songs, and art songs if feasible, to be learned during the school year; and
 - (ii) some songs to be in the minor mode;
 - (b) two-part songs,—
 - (i) at least 20 to be learned; and
 - (ii) key note or first note in each part to be given by the teacher together with an explanation that reading is an aid to singing;
 - (c) three-part songs,—
 - (i) to be optional with the teacher; and
 - (ii) to be given after the Easter vacation;
 - (d) practice on the staff,—
 - (i) singing from the staff at sight, the teacher giving the first note;
 - (ii) writing phrases sung by teacher after the teacher has given the position of doh;
 - (iii) singing and writing of harmonies;
 - (iv) terms and signs to be explained as met; and
 - (v) children to become familiar with terms and signs by meeting them and using them; and
 - (e) practice on scales,—
 - (i) intervals and tone groups as required in songs;
 - (ii) use of the sharpened fourth and flattened seventh; and
 - (iii) practices never to be at random but always related to the songs being sung.
- (2) Rhythmic responses:
 - (a) singing games; and
 - (b) easy folk dances.
- (3) Listening:
 - (a) descriptive music;
 - (b) recognition of instruments; and
 - (c) quiet listening.

PART VII

ART

1. Grades I, II and III,—

- (1) Creative expression:
 - (a) illustrative of the children's own experiences;
 - (b) suggested by such things as stories and nursery rhymes;
 - (c) inspired by work in Social Studies and other sources of study; and
 - (d) carried out in drawing,—
 - (i) use of soft media such as coloured chalk, crayons, charcoal, pastels and soft pencils; and
 - (ii) Use of large surfaces such as large sheets of drawing paper, remnants of wall-paper, wrapping paper and newsprint;
 - (e) carried out in modelling,—
 - (i) plasticine;
 - (ii) flour and salt mixture;
 - (iii) paper pulp; and
 - (iv) clay (in grade III only); and
 - (f) carried out in making three-dimensional pictures,—
 - (i) sand-table representations; and
 - (ii) peep-shows.
- (2) Weaving:
 - (a) use of coarse materials; and
 - (b) use of simple frames made by older pupils.
- (3) Construction:
 - (a) use of paper; and
 - (b) use of light cardboard.
- (4) Technical instruction:
 - (a) related to creative activity;
 - (b) given as needed by the child, including instruction in the preparation of materials;
 - (c) sizing of colours;
 - (d) representing objects of different sizes;
 - (e) indicating distance of objects by size of drawing;
 - (f) use of converging lines for a horizontal plane to distinguish it from a vertical plane; and
 - (g) use of action lines in figure drawing.

1. Grades IV, V and VI,—

- (1) Creative expression:
 - (a) illustrative of the children's own experiences;
 - (b) inspired by the work in English, Science and other subjects;
 - (c) expression of the children's own ideas;
 - (d) carried out in drawing,—
 - (i) use of soft media such as coloured chalk, pastels, charcoal and soft pencils; and
 - (ii) use of large surfaces such as drawing paper, building paper, wall-paper, wrapping paper and newsprint;
 - (e) carried out in picture making,—
 - (i) use of opaque colours such as tempers, alabastine and calcimine; and
 - (ii) use of clear water-colours;
 - (f) carried out in pen-and-ink drawings;
 - (g) carried out in modelling,—
 - (i) plasticine;
 - (ii) salt and flour mixture;
 - (iii) modelling clay; and
 - (iv) paper pulp; and
 - (h) carried out in,—
 - (i) carving in soap and in soft woods;
 - (ii) design by making original designs for decoration; and

- (1) Story-telling both oral or written,—
 - (a) changing the plot of a story;
 - (b) adding a sequel to a story;
 - (c) making a similar story out of different characters, or a plot or setting; and
 - (d) writing an original story and studying good models,—
 - (i) the story order;
 - (ii) devices to catch and hold interest;
 - (iii) use of effective words such as exact nouns, vivid verbs, picturesque adjectives and adverbs;
 - (iv) variety and appropriateness of the connectives; and
 - (v) skilful use of figures of comparison; and
 - (e) story suggested by a picture.
- (2) Description both oral and written,
 - (a) study of good models,—
 - (i) the point of view;
 - (ii) the order of description; and
 - (iii) the choice of words to produce the desired effect; and
 - (b) use of descriptions,—
 - (i) in such subjects as Science, Social Studies and Art; and
 - (ii) incidentally in story-telling.
- (3) Explanation both oral or written,—
 - (a) giving directions;
 - (b) telling how to do or make things;
 - (c) explaining how to carry on an activity; and
 - (d) defining precisely.

- (4) Play-writing,—
 - (a) making plays out of prose stories and narrative poems;
 - (b) dramatizing historical events; and
 - (c) making original plays,—
 - (i) planning the action;
 - (ii) arranging the stage-setting;
 - (iii) writing the dialogue; and
 - (iv) rehearsing and revising.
- (5) Verse making,—
 - (a) study of stanza forms,—
 - (i) rhythmic pattern;
 - (ii) rhyme system; and
 - (iii) appropriateness to the theme;
 - (b) co-operative verse making,—
 - (i) selection of a rhythmic pattern;
 - (ii) decision as to rhyme system;
 - (iii) writing and revising the verses by removing roughnesses in metre and using appropriate words; and
 - (c) encouragement of individual efforts.
- (6) Writing imaginary logs, diaries and letters,—
 - (a) examination of good models;
 - (b) realization of an imagined situation;
 - (c) use of appropriate language; and
 - (d) attempt to write what would have been written,—
 - (i) by an explorer, a pioneer or an old-timer;
 - (ii) by one in the homeland; and
 - (iii) by a person in an outpost of the Empire.
- (7) The school magazine,—
 - (a) a half-yearly or yearly enterprise;
 - (b) editors, business managers and other personnel to be chosen from pupils in grade VIII;
 - (c) reporters in all grades; and
 - (d) articles selected from class magazines.

8. Oral communication:

- (1) Informal conversation,—
 - (a) exchanging views and opinions;
 - (b) practising the art of listening; and
 - (c) observing the amenities such as courtesy and consideration for others.
- (2) Telephoning by dramatized conversations of,—
 - (a) business calls,—
 - (i) placing an order;
 - (ii) making an appointment;
 - (iii) calling a number as requested; and
 - (iv) requesting that a person call your number; and
 - (b) long-distance calls,—
 - (i) personal messages;
 - (ii) business messages; and
 - (iii) station-to-station calls.
- (3) Joining in a discussion,—
 - (a) criticizing a book or a play;
 - (b) appraising a broadcast;
 - (c) discussing a recent event; and
 - (d) planning an enterprise.
- (4) Informal debating of topics of immediate interest to the pupils.
- (5) Interviewing,—
 - (a) soliciting support for a candidate;
 - (b) applying for a position;
 - (c) securing information; and
 - (d) making an apology.
- (6) Making reports,—
 - (a) informal reports to the class;
 - (b) formal report to a meeting,—
 - (i) without recommendations; and

- (ii) with recommendations; and
 - (c) moving that the report be received.
- (7) Relating an anecdote,—
 - (a) in a general conversation; and
 - (b) as part of a platform address, including a discussion of its purpose, appropriateness and aptness.
- (8) Taking part in a meeting,—
 - (a) presiding over a meeting;
 - (b) making or seconding a motion;
 - (c) moving an amendment;
 - (d) debating a proposal;
 - (e) introducing or thanking a speaker;
 - (f) making a presentation;
 - (g) acting as toastmaster at a banquet; and
 - (h) proposing a toast and responding to a toast.
- (9) Speaking,—
 - (a) correct pronunciation,—
 - (i) pure vowel sounds;
 - (ii) full value of consonants;
 - (iii) proper placing of stresses; and
 - (iv) avoidance of clipped speech; and
 - (b) improving slovenly speech.

9. Communication in writing:

- (1) Writing letters as occasions arise,—
 - (a) personal letters,—
 - (i) letters of congratulation, sympathy and thanks;
 - (ii) letters expressing appreciation for hospitality;
 - (iii) news letters to a shut-in; and
 - (iv) travel letters both narrative and descriptive;
 - (b) business letters,—
 - (i) orders for goods;
 - (ii) inquiries as to such things as price and quality;
 - (iii) special requests such as a request for the use of a building; and
 - (iv) letters of application; and
 - (c) informal notes of invitation and replies.
- (2) Recording the minutes of a meeting,—
 - (a) using the conventional form;
 - (b) making an accurate record of all motions and other proceedings; and
 - (c) summarizing all discussions, reports and addresses.
- (3) Contributing to the school or local paper,—
 - (a) reports of various activities;
 - (b) items of school news;
 - (c) announcements of coming events;
 - (d) book reviews;
 - (e) special articles;
 - (f) editorials; and
 - (g) advertisements.
- (4) Telegraphing,—
 - (a) deciding on the kind of message and whether it shall be sent by telegram, day-letter or night-letter;
 - (b) composing the message; and
 - (c) calculating the cost.
- (5) Making posters,—
 - (a) announcement of school functions;
 - (b) advertisements of articles for sale;
 - (c) campaign slogans; and
 - (d) educational posters such as those emphasizing better reading or cleaner sport.
- (6) Preparing a broadcast,—
 - (a) necessity for having every word written;
 - (b) timing the reading;
 - (c) making necessary changes in the extent; and
 - (d) provision for an unhurried conclusion.

- (7) Making an outline of a lecture or an article,—
 - (a) arrangement of main headings and sub headings and the listing of points in connection therewith; and
 - (b) proper use of letters and numerals.
 - (8) Securing reference material,—
 - (a) purpose of each part of a book;
 - (b) using list of contents and the index;
 - (c) finding information in an encyclopaedia; and
 - (d) asking notes, outlines and summaries.
 - (9) Writing,—
 - (a) attention to neatness and legibility,—
 - (i) pride in good craftsmanship; and
 - (ii) consideration for the reader; and
 - (b) regular writing periods for pupils requiring assistance,—
 - (i) drills to correct specific errors; and
 - (ii) pupils excused when satisfactory standards reached and maintained.
 - (10) Spelling,—
 - (a) constant use of the dictionary;
 - (b) attention to spelling in all written work;
 - (c) personal list built up by each student;
 - (d) class discussion of common demons; and
 - (e) regular use of The New Canadian Speller.
 - (11) Mechanics,—
 - (a) attention to such things as margins and spacing;
 - (b) correct use of all punctuation marks;
 - (c) ordinary uses of punctuation marks; and
 - (d) arrangement of topical outlines.
 - (12) Use of dictionary,—
 - (a) finding correct spelling and appropriate meaning;
 - (b) discovering proper pronunciation and the use of the dictionary pronunciation-key; and
 - (c) employing synonyms to secure clearness, vividness and variety.
10. Usage:
- (1) Paragraph structure,—
 - (a) continued stress on essentials of a good paragraph,—
 - (i) unity in the paragraph;
 - (ii) proper order of sentences; and
 - (iii) effective beginning and ending; and
 - (b) planning and writing compositions of more than one paragraph.
 - (2) Sentences structure,—
 - (a) review of parts of the sentence including subject, predicate, modifying parts, objects and subjective completions;
 - (b) recognition and use of nouns, pronouns, verbs, adjectives, adverbs, prepositions and conjunctions; and
 - (c) variety in length and structure of sentences,—
 - (i) principal and subordinate clauses;
 - (ii) clauses used as adjectives, adverbs and nouns;
 - (iii) noun clauses used chiefly as objects;
 - (iv) phrases used as adjectives and adverbs; and
 - (v) kinds of sentences according to structure including simple, compound and complex sentences.
 - (3) Verbs,—
 - (a) transitive;
 - (b) intransitive; and
 - (c) copular.
 - (4) Agreement of subject and verb in person and number.

- (5) Verb forms showing time,—
 - (a) simple present, past and future; and
 - (b) perfect present and perfect past.
- (6) Verbs frequently confused such as,—
 - (a) raise and rise;
 - (b) sit and set; and
 - (c) lie and lay.
- (7) Use of case forms in pronouns.
- (8) Singular, plural and possessive forms in nouns and pronouns.
- (9) The forms and uses of comparatives and superlatives in adjectives and adverbs.
- (10) Correct use of adjective and adverb forms such as,—
 - (a) good and well; and
 - (b) sure and surely.
- (11) Effective use of meaningful and picturesque adjectives.
- (12) Precision in the use of prepositions in common usage such as,—
 - (a) between and among; and
 - (b) from and off.

PART III

MATHEMATICS

A. Grade VII,—

1. The fundamental operations:

- (1) Drill practices throughout the year:
 - (a) to promote facility and accuracy in the mechanical operations;
 - (b) frequent, regular and varied drill in the work of grades I to VI, both inclusive,—
 - (i) addition, subtraction, multiplication and division of whole numbers; and
 - (ii) addition and subtraction of common and decimal fractions;
 - (c) drill practices on new work of grade VII following presentation;
 - (d) discovery of individual weaknesses,—
 - (i) tests to find difficulties of pupils; and
 - (ii) examining oral and written work for faulty method; and
 - (e) treatment of individual weaknesses,—
 - (i) explanation of pupil's difficulties; and
 - (ii) varied drill as required including oral practice to develop speed and accuracy, and written practice to develop exactness and order.
- (2) Common fractions:
 - (a) meaning and use;
 - (b) multiplication,—
 - (i) fraction by a whole number;
 - (ii) fraction by a fraction;
 - (iii) mixed number by a fraction; and
 - (iv) mixed number by a mixed number;
 - (c) use of cancellation as a short cut; and
 - (d) practical problems involving fractions.
- (3) Decimal fractions:
 - (a) meaning and use;
 - (b) multiplication,—
 - (i) decimal by a whole number;
 - (ii) decimal by 10, 100 and 1000;
 - (iii) whole number by a decimal;
 - (iv) decimal by a decimal;
 - (v) treatment of zeros in decimal answers; and
 - (vi) placing decimal point by inspection when multiplying by 10, 100, 1000, .1, .01 and .001; and
 - (c) practical problems involving decimals.

- (4) Percentage:
- the meaning thereof and an explanation that it is a useful fraction and has a denominator of 100;
 - ways of expressing percentage,—
 - 5 per cent;
 - 5%;
 - $\frac{5}{100}$; and
 - .05;
 - meaning of 100%,—
 - the whole quantity;
 - 100; and
 - $\frac{100}{100}$ 1;
 - expressing simple percentages as decimal fractions;
 - expressing decimal fractions as percentages;
 - expressing halves, fourths, fifths, and tenths as percentages;
 - finding a per cent of a number,—
 - expressing the per cent as a decimal fraction and multiplying; and
 - using simple common fractions as a short cut; and
 - practical problems involving percentage.

2. Practical problems:

- Involving the fundamental operations,—
 - whole numbers, common and decimal fractions and percentages;
 - arising in ordinary life of pupils in school and home,—
 - in such things as games, cookery, woodwork and sewing;
 - checking bills for such things as family groceries;
 - keeping children's cash accounts;
 - budgets for boys and girls with emphasis on such things as allowances, money for holidays and club funds;
- earning money by selling on commission;
- taking advantage of discounts,—
 - in paying bills such as gas and electric bills;
 - in paying cash purchases; and
 - in bargain sales; and
- using the bank for saving money,—
 - calculating interest on money saved; and
 - using the formula " $I = prt$ ", but only after the pupils understand the formula clearly;
- interpreting barographs and pictographs; and
- making barographs.

3. Mensuration:

- Review of linear and square measure as presented in previous grades.
- Finding the area of rectangles and using the formula " $A = lw$ ", but only after the pupils understand the formula clearly.
- Meaning of volume,—
 - the cubic inch, the cubic foot, the cubic yard and the cord; and
 - finding volumes of rectangular solids,—
 - objectively at first; and
 - leading to discovery and use of formula " $V = lwh$."
- Measuring and buying lumber and an explanation of the board foot.
- Reading the gas meter.
- Reading the electric meter and an explanation of the watt and the kilowatt-hour.

- Calculating gas and electric bills.
- Measuring the circle,—
 - radius, diameter and circumference,—
 - discovery of relationship; and
 - meaning of π ; and
 - use of formula, $C = \pi d$ or $C = 2\pi r$.
- Measuring and constructing angles,—
 - discussing measurement of angles in degrees; and
 - using the ruler and protractor in construction of right, acute, and obtuse angles.
- Interpreting and making circle graphs.
- Lines,—
 - vertical;
 - perpendicular;
 - horizontal; and
 - oblique.
- Measuring accurately with ruler and compass.
- Triangles,—
 - equilateral;
 - isosceles;
 - scalene; and
 - right-angled.
- Drawing triangles.
- Measuring parallelograms,—
 - dimensions, base and height; and
 - drawing parallelograms.
- Interpreting and making drawings to scale and the use of ruler, compass, and protractor for that purpose.

B. Grade VIII,—

1. The fundamental operations:

- Drill practices throughout the year:
 - to promote facility and accuracy in the mechanical operations;
 - frequent, regular and varied drill in work of grades I to VII, both inclusive,—
 - addition, subtraction, multiplication and division of whole numbers; and
 - addition, subtraction and multiplication of common and decimal fractions;
 - drill practices on new work of grade VIII following presentation;
 - discovery of individual weaknesses,—
 - tests to find difficulties of pupils; and
 - examining oral and written work for faulty method; and
 - treatment of individual weaknesses,—
 - explanation of pupil's difficulties; and
 - varied drill as required including oral practice to develop speed and accuracy and written practice to develop exactness and order.
- Common fractions:
 - division,—
 - fraction by fraction;
 - by divisor with the numerator 1;
 - whole number by a fraction;
 - fraction by a whole number;
 - mixed number by a fraction;
 - mixed number by a whole number;
 - whole number by a mixed number; and
 - mixed number by a mixed number;

- (b) use of cancellation as a short cut; and
- (c) practical problems involving fractions.

(3) Decimal fractions:

- (a) division,—
 - (i) decimal by a whole number;
 - (ii) treatment of remainders in division;
 - (iii) dividing to nearest tenth and hundredth;
 - (iv) whole number by a larger whole number;
 - (v) changing common fractions to decimals by dividing the numerator by the denominator;
 - (vi) decimal by a decimal;
 - (vii) dividing by .1, .01, and .001;
 - (viii) whole number by a decimal;
 - (ix) explanation of "place-value";
 - (x) story of invention of decimal fractions;
 - (xi) relation to common fractions and fractions with denominator 10 or power of 10;
- (b) multiplication and division,—
 - (i) multiplication by a number less than one, giving a decreased result; and
 - (ii) division by a number less than one, giving an increased result; and
- (c) practical problems involving decimals.

(4) Percentage:

- (a) finding a percentage of a quantity,—
 - (i) expressing the percentage as a decimal fraction and multiplying; and
 - (ii) common-fraction equivalent used as a short cut in certain cases;
- (b) special treatment of more difficult percentages,—
 - (i) 100% and percentages greater than 100;
 - (ii) 1% and 9% and their correct translation to decimal fractions;
 - (iii) fractional percentages such as $\frac{1}{2}\%$ and $\frac{1}{4}\%$; and
 - (iv) percentages such as $2\frac{1}{2}\%$ and $3\frac{1}{4}\%$;
- (c) finding what percentage one number is of another;
- (d) finding a number when a percentage of it is known; and
- (e) practical problems involving percentage.

2. Practical problems:

- (1) Arising in the home and school life of the pupils,—
 - (a) buying materials and other things for the home;
 - (b) earning money for the support of the home;
- (2) Budgeting,—
 - (a) children's budgets;
 - (b) budgeting the family income; and
 - (c) farm budgets.
- (3) Community budgets,—
 - (a) property taxes;
 - (i) meaning of assessment, tax-rate and mill; and
 - (ii) expression of mill rate as a decimal fraction; and
 - (b) income tax, simple illustrative examples only.
- (4) Simple business situations involving percentage,—
 - (a) finding discounts;
 - (b) meaning of wholesale and retail; and
 - (c) finding profit and loss.

- (5) The family savings,—
 - (a) depositing money in the bank;
 - (b) savings accounts and interest; and
 - (c) the bank cheque.

(6) Borrowing money,—

- (a) to build a home;
- (b) to buy farm machinery or seed, or to harvest crops;
- (c) promissory notes;
- (d) finding interest on loans;
 - (i) computation of time in days; and
 - (ii) use of formula, " $I = prt$ ".

(7) Simple examples of the advantages of paying cash as opposed to buying on the instalment plan.

(8) Protecting the home against loss,—

- (a) insuring home against fire loss;
- (b) farm insurance to prevent loss by such things as hail and frost;
- (c) automobile insurance, its purpose and kinds;
- (d) life insurance, its purpose and forms; and
- (e) unemployment insurance.

(9) Interpretation and construction of line-graphs.

3. Mensuration:

(1) Problems based on mensuration of grade VII.

(2) Circumference of circle, $C = 2\pi r$.

(3) Finding areas of geometric figures,—

- (a) rectangle, triangle and parallelogram;
- (b) circle;
- (c) use of formulae,—
 - (i) rectangle, $A = lw$;
 - (ii) triangle, $A = \frac{1}{2}bh$;
 - (iii) parallelogram, $A = bh$; and
 - (iv) circle, $A = \pi r^2$.

(4) Use of ruler, compass and protractor,—

- (a) in design, in drawing plans and in solving problems;
- (b) measuring angles;
- (c) drawing angles with ruler and protractor;
- (d) bisecting an angle;
- (e) drawing a perpendicular;
- (f) reading and making scale drawings;
- (g) drawing triangles,—
 - (i) when the sides are known;
 - (ii) when the angles and one side are known; and
 - (iii) when two sides and enclosed angle are known.

PART IV

SCIENCE

A. Grade VII,—

1. Science in the garden in autumn:

- (1) Recognition and uses of various flowering plants and vegetables, classified as annuals, biennials and perennials.
- (2) How a plant gets its food: anchored to roots, raw food absorbed by roots, root hairs, demonstration of absorption with a parsnip, potato or egg.
- (3) Rise of moisture in stems.
- (4) How a plant uses food: for growth, storage for future use, starch test.
- (5) Seeds: observing how formed and how dispersed.

- (6) Plants for indoors: transplanting from the garden, making and transplanting cuttings.
- (7) Bulbs: indoor and outdoor planting.
- (8) Vegetables: method of storing for winter.
- (9) Cabbage butterfly: recognition, observation in cages in classroom, harm done and control.
- (10) Other insect enemies of the garden: recognition, observation indoors, methods of getting food and control.
- (11) Toad: observing habits, how it eats, rearing in a vivarium, its value.

2. Science in the orchard in autumn:

- (1) Apples: common kinds, growth and function of a fruit illustrated by the study of the skin, flesh, food channels, and core.
- (2) Wormy apples: recognition and feeding habits of codling-moth larva, life history, harm.
- (3) Apple scab: recognition, harm.
- (4) Girdling: rabbits, mice, harm, prevention.
- (5) Orchard fruits: census, a classroom display, picking and packing, storing.

3. Science in the woods in autumn:

- (1) Trees of the community, deciduous and evergreen.
- (2) Autumn wild flowers: recognition.
- (3) Poison-ivy: recognition, precautions.
- (4) Special plants: mosses, lichens, fungi, mushrooms; where and how the live.
- (5) How a tree lives: getting new food, making plant food, making seeds, autumn colours.
- (6) Leaf fall: advantage, preparation, variation in time, leaf scars.
- (7) Buds: purpose, formation in late summer, protection.
- (8) Animal census: wild animals seen in the community, their habits.
- (9) Squirrel: kinds, food, habits, homes.
- (10) Observation of migrating birds.

4. Science in the kitchen:

- (1) Tea-kettle: water vapour, steam, Watt, movement of lid, steam power, steam-engine, condensation, clouds.
- (2) Sealer top: effect of hot water, expansion of solids.
- (3) Insulating handles: conduction of heat, good and poor conductors, insulation.
- (4) Thermometers: purpose, uses in the kitchen how a thermometer measures temperature, expansion of liquids.
- (5) Coffee-maker: how it works, pressure of steam, condensation.
- (6) Drying dishes: tea-towels, absorption of water, evaporation, conditions favouring evaporation.

5. The Science of lighting:

- (1) Candles: how made, wick, imperfect burning, need for air.
- (2) Lamp: coal oil or kerosene, smoking, function of the chimney, precautions.
- (3) Gas: kinds used, burner, mantle, gas and air mixture, air regulator, precautions, gas meter, dials, reading.
- (4) Matches: early kinds, method of making, heat by friction, precautions.
- (5) Electric bulb: examination, filament, early history, Edison, incandescence, vacuum, gas-filled bulbs.
- (6) Correct lighting in a home or school.

6. Science in the living-room.

- (1) Fire-place and chimney: how they give us heat, explanation of why the fuel burns, experiment illustrating convection currents, radiation of heat, draught, smoke, soot, sweat, ashes, construction, precautions.
- (2) The piano: vibrating strings, loudness, pitch.
- (3) Clock: how it tells time, spring or weight, pendulum, gear wheels, escapement hands.
- (4) Christmas trees: recognition of kinds of evergreens by needles and cones.

7. The science of food:

- (1) Needs of the body for food: growth, energy, repair, and general health.
- (2) Classification of foods according to use: building, fuel, regulators, protectors.
- (3) Vitamines: importance, sources.
- (4) Diet: balance, variety.
- (5) Bread: starch, test for starch, brown and white bread, cereals used.
- (6) Meat: muscle fibre, protein, fat, digestion, precautions.
- (7) Butter: fat of milk, how butter is made.
- (8) Sugar: sources, food value.
- (9) Salt: values to man, sources.
- (10) Milk: constituents, food value, care of milk.
- (11) Water: necessity, quantity required.
- (12) Tea: plant, processing, precautions in use.
- (13) Coffee: plant, processing, precautions in use.

8. Science in our bodies:

- (1) Need of making food soluble: digestion.
- (2) Saliva: action on starch, glands.
- (3) Stomach: functions, location, structure.
- (4) Intestines: functions, location, structure, importance of regular elimination.
- (5) Healthful eating habits.
- (6) Bones: functions, structure, joints, kinds of food required, fractures.

- (7) Muscles: function, how they work, tendons, fatigue, rest.
 - (8) Posture: importance, arches of feet, "flat feet", exercises, proper shoes.
 - (9) Nerves: functions, distribution, how they work.
9. Science in the dining-room:
- (1) Linen: table cloth, threads, flax plants, fibres, processes, care.
 - (2) Dishes: china and porcelain, clay, shaping, firing, decoating.
 - (3) Glassware: making of glass, blowing, shaping, polishing, cutting.
 - (4) Mirror: plate glass making: silvering, reflecting surface, signalling.
 - (5) Cutlery: story of Tubal Cain, smelting, pig iron, steel, processes, Damascus blade, "stainless steel", making of cutlery.
 - (6) Silverware: "sterling", processes, base metals, plating.
10. Science in the bathroom:
- (1) Teeth: functions, structure, proper care.
 - (2) Cleaning teeth: brush, method of using, composition and use of powder and paste, substitutes.
 - (3) Skin: functions, structure, cleanliness, soap; treatment of cuts, infection.
 - (4) Hair: proper care, effect of brushing, suitable hair brush, massage, effect of circulation, oil.
 - (5) Nails: growth, care.
 - (6) Medicine cabinet: contents, precautions.
 - (7) Medicine dropper: uses, how it works, air pressure.
 - (8) Health scales: weight and health, how scales work.
 - (9) Water: hard and soft, effect of boiling, softeners, advantages of soft water; springs, their origin and pollution; kinds and construction of wells, testing of water.
 - (10) How water is brought to the home: sources, water pressure, head.
 - (11) Water meter: purpose, reading.
 - (12) Faucet: purpose, structure, valve and valve-seats, washer, repair.
 - (13) Drain pipes: connections, trap, sewer-gas, stack.
 - (14) Sewage: dangers, methods of disposal, bacterial action, septic tank.
11. Science in the sleeping room:
- (1) Sleep: need, amount required, advantage of darkness.
 - (2) Heart action: slowing of rate in sleep, reason, blood stream.
 - (3) Bed: muscle relaxation, level mattress, pillows.
 - (4) Bed clothes: light, warm, wool or down.
 - (5) Ventilation: need, methods, principles.
 - (6) Insulation: purpose, methods, materials, principles, air as an insulator, double windows.
12. Science in our senses:
- (1) Sight: importance, the eye as a camera, how the eye works, care of the eyes, common disorders.
 - (2) Hearing: how sounds come to us, how the ear receives sounds, care of the ear.
 - (3) Smelling: sense areas in the nose, relation to breathing.
 - (4) Tasting: how to taste things.
 - (5) Feelings: sensitive spots in the skin.
13. Science in the garden in spring:
- (1) Seed germination: conditions necessary, germinating seeds and observing changes, examining a seed to discover how it is fitted to produce a plant.
 - (2) Testing seeds for strength and percentage of germination.
 - (3) Starting garden plants in the classroom.
 - (4) Greenhouses: purposes, how heated, operation, importance of glass houses.
 - (5) Hotbed: purpose and construction, sources of heat, care.
14. Changing life in spring:
- (1) Spring buds: observation of development into leaves and flowers.
 - (2) Sap: composition, flow, maple syrup and sugar.
 - (3) Perennials: kinds grown locally, care in spring.
 - (4) Wild flowers: spring varieties, conservation; the trillium—the floral emblem of the Province of Ontario.
 - (5) Ferns and mosses: new growth, uncurling fronds, spores.
 - (6) Tent-caterpillars: eggs, new larvae, tents, control.
 - (7) Frogs and toads: eggs, incubation, tadpoles, development, field excursions, classroom observation.
15. Science in the woods in spring:
- (1) Tree: shape in the open, shape in the woods, good timber.
 - (2) Value of the forest to man: fuel, timber, lumber, other products, wild life, stream conservation, flood prevention, recreation.
 - (3) Value of the forest to other life: protection and food for birds and other animals.
 - (4) Forest fires: causes, losses, precautions.
 - (5) Other forest enemies: insects, fungous diseases.

(6) The woodlot: value, care.

(7) Reforestation: advantages, methods, government aid.

(8) Observation of returning birds.

16. Science in the orchard in spring:

(1) Pruning: necessity, purpose, time, methods.

(2) Blossoms: recognition of parts, functions, observation of fruit development.

(3) Spraying: for codling-moth, apple scab and other damaging insects.

(4) Orchard friends: birds, bees, lady-bugs.

17. Science in the poultry-house:

(1) Domestic fowl: origin, kinds.

(2) Housing of poultry: dryness, lighting, ventilation.

(3) Feeding of poultry: purposes served, kinds of feed.

(4) Eggs: purposes, food contents, preservation by home and commercial methods, adaptations to produce chick.

(5) Incubation: natural, artificial, care of chicks.

(6) Parasites: lice, mites, internal parasites; prevention and treatment.

(7) Wild fowl: kinds, recognition, habits, domestication.

(8) How birds are adapted for flight: wings, wings, shape, feather covering, flying machines.

18. Injurious insects of the home:

(1) Clothes-moth: recognition, life history, precautions, moth-proof closets.

(2) Buffalo carpet-beetle: recognition, control.

(3) House-fly: habits, relation to health, life history, screens, control.

(4) Other insect pests: silver fish, cochroach, ants, control.

19. Science in the creek:

(1) Creek dwellers: snails, clams, crayfish, newts, water beetles, water striders and other water insects—recognition, where found, habits.

(2) Action of water: soil erosion, sediment, sand-bar.

B. Grade VIII,—

1. Science in the lawn in autumn:

(1) Grasses: kinds of grasses and clover in the lawn.

(2) Weeds: recognition, life habits, control.

(3) Earthworms: observation of their habits' structural adaptations, value.

(4) Ants: observation of colonies, habits, food, adaptations, control.

(5) Preparing lawn for winter: long grass, covering of manure; preparation of soil for new lawns.

2. Science in the fields in autumn:

(1) Crops: grain, fodder, silage, pasture, hoed.

(2) Weeds: recognition of field weeds; annuals, biennials, and perennials; how weeds rob crops of space, light, food, and moisture; methods of eradication.

(3) Cultivation: purpose of fall ploughing.

(4) Insect enemies of fields: grasshopper, its habits, adaptations, and control; white grub, its recognition, habits, life history and control.

(5) Plant diseases: recognition of 3 common kinds in the locality, harm done, control.

(6) Friends of the fields: how hawks and owls control field mice and how bees help clover to produce seed.

3. Science in the aquarium:

(1) Collecting aquarium plants and animals from local streams.

(2) Setting up a balanced aquarium with sand plants and animals.

(3) How plants and animals help each other in an aquarium.

(4) Proper placing and care.

(5) Observation of animal habits in the aquarium.

(6) Storing earthworms in soil indoors for winter food.

4. The science of bee life:

(1) Honey-bee: wild, domesticated.

(2) Kinds: workers, queen, drones, functions of each; bee stages.

(3) Workers: nurses, guards, builders, honey-makers and other workers.

(4) Honeycomb: examinations, six-sided cells, making of wax, making of cells.

(5) Pollination: clover (bumble-bees), fruit (honey-bees), flowers.

(6) Honey: nectar, sources, making of honey, value of food, extraction.

(7) Hive: construction, ventilation, queen, excluder.

(8) Swarming: reason, signs, hiving a swarm.

(9) Social life.

(10) Bumble-bee: recognition, life history, protection, sting.

5. Science in the rocks:

(1) Kinds: in the locality, examination, collection.

(2) Strata: effect of water on gravel, sand and clay; layering; hardening.

(3) Rock-cuts: layers or arrangement of rock, strata.

(4) Sandstone and shale: formation, uses.

- (5) Limestone: appearance, test, uses.
- (6) Salt: formation, uses.
- (7) Marble: formation, colours, uses.
- (8) Granite: quartz, mica, feldspar, formation.
- (9) Minerals: ores, metals, other minerals.
- (10) Asbestos: occurrence, manufacture, uses.
- (11) Fossils: collection, formation, significance.
- (12) History in rocks: geologists and their findings.

6. Heating our homes:

- (1) Coal: examination of kinds, early forests, formation.
- (2) Observation of heating system of the school: products of burning, entrance of air (draught), convection of currents, how heat is brought from the furnace or stove to the classroom.
- (3) Stove or furnaces: types, operation.
- (4) Heat control: draught, check, blower, thermostat.
- (5) Fuel: kinds, burning, dangers.
- (6) Ashes: safe disposal, uses of wood ashes, danger.
- (7) Clinkers: appearance, formation, igneous rock.
- (8) Dust: seen in a beam of light, sources, effects, control.
- (9) Air-conditioning: meaning, advantage, methods.
- (10) Water-heating: by coal, by electricity, by gas, value of insulation.

7. Science in the classroom:

- (1) Paper: pulp-wood, wood-pulp, paper manufacture, kinds, surface, effect of gloss, newspaper or books, printing.
- (2) Blotter: appearance, capillary, action.
- (3) Pencil: lead, hard and soft, wood, manufacture.
- (4) Pen-point: manufacture, why it writes, adhesion, surface tension, capillarity.
- (5) Fountain-pen: parts, materials, self-filler, air pressure.
- (6) Ink: composition, care, invisible ink.
- (7) Eraser: kinds, material, action.
- (8) Blackboard: kinds, importance of a good board.
- (9) Chalk: composition, manufacture.

8. Science in the workshop:

- (1) Bench: staple type, proper height, vise.
- (2) Hammer: handle, weight, claws, kinds.
- (3) Nails: kinds, manufacture.

- (4) Screws: uses, advantages, drilling, screw-drivers.
- (5) Saw: kinds, operation, care.
- (6) Plane: use, operation, care.
- (7) Chisel: operation, care.
- (8) Clue: use, adhesion.
- (9) Paint: uses, kinds, composition.
- (10) Paint-brush: bristles, care.

9. Science of electricity:

- (1) Dry cell: current, circuit, conductors, insulators.
- (2) Electric toasters and irons: element, heating effect of current, resistance.
- (3) Magnets: lodestone, compass needle.
- (4) Electric bell: electro-magnet, connecting bell in house, how the bell works.
- (5) Telephone: home-made set, mouth-piece, receiver, connections, Alexander Graham Bell.
- (6) Fuses: purpose, construction, replacing.
- (7) Electric meter: reading, calculating cost.
- (8) Precautions: short circuits, connecting wires, repairs.
- (9) Water power: rain, water-falls.
- (10) Dams: natural, artificial, purposes.
- (11) Water wheels: construction, head of water.
- (12) Turbine: how water operates them.
- (13) Queenston power plant: canal, head.
- (14) Ontario Hydro-Electric Power Commission.
- (15) Producing electricity by steam.

10. Science in the garage:

- (1) Gasoline: source, uses, power, danger, precautions.
- (2) Carburetor: recognition on car, purpose, air mixture.
- (3) Spark-plug: electric spark, porcelain insulator, explosion, power.
- (4) Exhaust: function, danger, precautions.
- (5) Battery: source of electric current, functions, charging, care.
- (6) Generator: recognition, function, how operated, ammeter.
- (7) Starting motor: recognition, function, starting-switch, use of battery current.
- (8) Radiator: function, construction, convection currents, care.
- (9) Anti-freeze: need, common mixtures, freezing point, evaporation.
- (10) Oil: purpose, source, manufacture.

- (11) Tires: advantages of air, air-pressure, use of gauge, rubber, elasticity, care.
- (12) Brakes: use, friction, tests.
- (13) Safety glass: advantages, construction.

11. Science in barn and dairy:

- (1) Horses: domestication, recognition of one or two breeds found in the community.
- (2) Cattle: types, common local breeds, care.
- (3) Hogs: bacon type.
- (4) Sheep: habits, wool, importance.
- (5) By-products of farm animals.
- (6) Milk: production, cleanliness, the dairy, distribution to urban homes, care in the home.
- (7) Pasteurization: necessity, methods, regulations.
- (8) Separator: purpose, operation, centrifugal force, care.
- (9) Butter: how made, a comparison of dairy and creamery butter, care, buttermilk.
- (10) Cheese: manufacture, rennet, pressing, effect of age.

12. Science in our bodies:

- (1) The body as an engine: fuel, energy, heat, motion.
- (2) Breathing: purpose, method, organs, use of oxygen, formations of carbon dioxide and water vapour.
- (3) Lungs: functions, connection with blood circulation.
- (4) Combustion in the body: fuel, oxygen, energy, waste products.
- (5) Circulation: nature of blood, materials carried, blood stream, heart, valves, arteries, veins, purification of blood in lungs.
- (6) Corpuscles: red, white, function of each.
- (7) Bleeding: purpose, clotting, danger, methods of stopping bleeding.
- (8) Germs: kinds, entrance to the body, production of toxins.
- (9) Communicable diseases: common kinds, regulations, use of vaccine and serum.
- (10) Common cold: cause, danger, precautions.
- (11) Tuberculosis: "white plague", how contracted, prevention, treatment.
- (12) Alcohol: manufacture, uses in industry, use in beverages, injurious effects.
- (13) Poisons: common kinds, precautions, antidotes.

13. The sun in relation to the earth:

- (1) Gifts from the sun: light, heat, health, colour.
- (2) Nature: size, distance, temperature.

- (3) Apparent path during a day: rising, noon position, setting, course, height at various hours, sun-dial, heating effect determined by angle of sun's rays, rotation of earth.
- (4) Longitude: meaning, relation to time, standard time.
- (5) Seasons: observing elevation of sun at noon at various times of year, heating effect determined by angle of sun's rays, revolution of earth.
- (6) Latitude: meaning, determination by sun's rays, parallels.

14. The science of weather:

- (1) Weather records kept by pupil for two weeks to prepare for this study.
- (2) The atmosphere: constituents, height, weight.
- (3) Barometer: simple mercury type, daily reading.
- (4) Rain and dew: sources, how formed, how measured.
- (5) Lightning: explanation, thunder, estimation of distance, lightning rods, precautions.
- (6) Snow, frost and ice: experiment to show crystal formation, measurement of snowfall calculating equivalent amount of rainfall, importance to man, value to plant life, importance to wild animals.
- (7) Weather forecasting: from daily paper, by pupil observation, kinds of clouds, air pressure, wind direction, temperature.
- (8) Weather and our homes: insulation from heat and cold, indoor humidity, pitch and material of roof, paint protection.

15. Science in the sky:

- (1) Sun: rising elevation, effects of increasing warmth, spring's awakening, returning birds and butterflies.
- (2) Moon: appearance (telescope), phases, eclipses.
- (3) North star: location, importance.
- (4) Evening star: a planet, reflected light.
- (5) Constellations: names, stories.
- (6) Milky Way: ancient beliefs, real nature.
- (7) Solar system: sun, planets.
- (8) Comets: nature, Halley's comet, superstitions.
- (9) Meteors: origin, cause of illumination.

16. Science in the lawn in spring:

- (1) Making a new lawn: drainage, soil preparation, seeding or sodding.
- (2) Caring for a new lawn: keeping it moist, removing weeds, cutting.
- (3) Repairing old lawns: loosening soil, seeding.
- (4) Rolling: necessity, proper time, making a roller.
- (5) Fertilizers: common kinds, method of application.

- (6) Watering: proper time, method, principles involved.
 - (7) Moss on a lawn: causes, treatment.
 - (8) Bird guests: value, methods of attracting, protection, summer visitants, winter visitants, permanent guests.
 - (9) Bird-bath: construction, use.
 - (10) Bird-houses: purpose, construction, placing.
17. Science in the fields in spring:
- (1) Spring killing of fall grains and clovers: cause, loss.
 - (2) Water: sources, absorption by various soils, run-off, effect on warming of soil.
 - (3) Drainage: purpose, kinds, value.
 - (4) Soils: formation, types, characteristics, relation to plant growth.
 - (5) Conditions favourable for plant growth: warmth, moisture, air.
 - (6) Cultivation: purposes, methods, principles involved.
 - (7) Fertilizers: purpose, natural and artificial.
 - (8) Nodules on clover roots: observation, value.
 - (9) Ground-hog: burrow, food, adaptations.
 - (10) Snake: locomotion, feeding, adaptations.
 - (11) Cut-worm: where found, harm, life history, control.
 - (12) Bird friends: recognition, value, protection.
18. Science in the pond:
- (1) Water plants: local kinds, where found, how they live in water.
 - (2) Fish: feeding, locomotion, breathing, air in water, gills and blood vessels, spawning habits, migration habits.
 - (3) Frog: habits, adaptations, breathing, wintering.
 - (4) Mosquito: habitat, life history, food, harm to man, control.
 - (5) Dragon-fly: observation, food, life history.
 - (6) May-fly: observation, habits, life history.

PART V

HEALTH

- (e) wash-basins, soap and individual towels;
 - (f) suitable arrangement for disposal of waste water;
 - (g) toilets clean and properly cared for; and
 - (h) toilet paper supplied.
- (3) A clean and attractive classroom:
- (a) a scraper or mat at the door;
 - (b) floors kept clean and scrubbed regularly;
 - (c) ledges and corners kept dusted;
 - (d) general condition of order and tidiness;
 - (e) plants, bouquets and other decorations to make an attractive classroom; and
 - (f) effective pictures for bulletin-boards and walls.
- (4) Lighting:
- (a) light colours on walls and ceilings;
 - (b) windows washed regularly;
 - (c) translucent blinds drawn only when necessary, otherwise at the top;
 - (d) healthful use of artificial lighting; and
 - (e) pupils properly seated with respect to light.
- (5) Ventilation:
- (a) windows adjusted when necessary to maintain proper temperature and to provide fresh air;
 - (b) window boards to deflect air currents;
 - (c) frequent airing of the classroom; and
 - (d) attention to humidity.
2. Grade VII,—
- (1) Maintenance of health:
- (a) importance of cleanliness;
 - (b) fresh air and health;
 - (c) sunshine and health;
 - (d) necessity for rest and sleep; and
 - (e) the common cold.
- (2) Nutrition and health:
- (a) see 7 of Part IV; and
 - (b) see 3 and 4 of Part X;
- (3) Body framework—see 8 of Part IV.
- (4) Muscles—see 8 of Part IV.
- (5) Health of the skin, hair, nails, eye, and ear—see 10 and 12 of Part IV.
- (6) Proper clothing and shoes:
- (a) see 2 of Part X; and
 - (b) see 8 of Part IV.
- (7) Health in the community:
- (a) water supply,—
 - (i) discovery of source of community supply;
 - (ii) demonstration of methods of purifying;
 - (iii) testing of home and school supply; and
 - (iv) keeping water clean; and
 - (b) disposal of waste,—
 - (i) methods employed in the community; and
 - (ii) importance of adequate disposal of sewage, garbage, other waste.
- (8) Safety: common accidents and their prevention,—
- (a) in the home, on the street or highway; and
 - (b) in school, on the playground.
- (9) First-aid:
- (a) presence of mind;
 - (b) proper treatment,—
 - (i) cuts and scratches;
 - (ii) nose-bleed; and

- (iii) burns and scalds; and
- (c) what to do in emergencies such as fainting, drowning, choking, and clothing on fire.

3. Grade VIII,—

- (1) Health in the home:
 - (a) meeting climatic conditions;
 - (b) importance of location;
 - (c) proper lighting;
 - (d) air-conditioning;
 - (e) keeping the home clean; and
 - (f) extermination of pests.
- (2) Health in the community:
 - (a) investigation of the sources, transportation, and safe handling of the local milk supply;
 - (b) methods used in preserving and protecting food supplies for the community;
 - (c) study of local service to maintain good health and to prevent and control disease; and
 - (d) methods used to safeguard the health of employees in industry.
- (3) Proper clothing—see 2 of Part X.
- (4) The vital processes—see 8 of Part IV.
- (5) Bacteria and health:
 - (a) the common cold—cause, danger, spread, precautions;
 - (b) bacteria and communicable diseases, their spread and prevention; and
 - (c) common diseases of children and regulations concerning them.
- (6) The healthy personality:
 - (a) habits that contribute to good mental health;
 - (b) maintenance of emotional health; and
 - (c) development of moral health,—
 - (i) clean thoughts, words, deeds;
 - (ii) high ideals;
 - (iii) wholesome companions;
 - (iv) thinking of others; and
 - (v) playing the game.
- (7) Alcohol and health:
 - (a) manufacture of alcohol;
 - (b) use of alcohol in industry;
 - (c) alcoholic content of beer, wine and other spirits.
 - (d) effects of alcohol on,—
 - (i) the body temperature;
 - (ii) the brain and nervous system;
 - (iii) the vital processes;
 - (iv) the special senses; and
 - (v) behaviour;
 - (e) relationship between,—
 - (i) alcohol and accidents;
 - (ii) alcohol and athletics;
 - (iii) alcohol and poverty; and
 - (iv) alcohol and crime.
- (8) Tobacco and health:
 - (a) nicotine and its effects; and
 - (b) objections to the use of tobacco by children.
- (9) Safety:
 - (a) precaution in regard to,—
 - (i) use of tools;
 - (ii) use of ladders;
 - (iii) repairs to electrical appliances; and
 - (iv) using a motor car; and
 - (b) safety rules for campers,—
 - (i) swimming and boating;
 - (ii) camp fires;
 - (iii) drinking water; and
 - (iv) poisonous plants and berries.

- (10) First-aid:
 - (a) carbon monoxide poisoning;
 - (b) electric shock;
 - (c) drowning;
 - (d) poisonous bites and stings; and
 - (e) poison-ivy.

4. Physical activities for grades VII and VIII,—

- (1) Free play:
 - (a) short period each half-day—recess or spare period;
 - (b) expression of natural love of activity such as running, jumping, climbing and tumbling;
 - (c) spontaneous—not directed; and
 - (d) minimum of supervision—safety only.
- (2) Games of simple organization:
 - (a) short period each half-day;
 - (b) physical activity not skill the desired end;
 - (c) tag, circle games, relay races and other games;
 - (d) minimum of teacher direction; and
 - (e) nothing if not enjoyable.
- (3) Team games:
 - (a) one or two periods each week;
 - (b) fundamental skills taught to all;
 - (c) organization into groups for volley-ball, soft-ball, soccer, hockey and other team games;
 - (d) student captains, managers, referees;
 - (e) participation by all in regular periods;
 - (f) extra practices after school for enthusiasts; and
 - (g) inter-class or inter-school competitions.
- (4) Individual games:
 - (a) practised while groups are playing other games;
 - (b) hand-ball, tennis, badminton, quoits and other games to be encouraged but not required; and
 - (c) fundamental skills taught as needed.
- (5) Athletics:
 - (a) one or two periods a week;
 - (b) encouraged but not required;
 - (c) standard track and field events including running, jumping and hurdling;
 - (d) attention to form rather than speed or distance;
 - (e) exercise of care to avoid strain; and
 - (f) undue prominence for individual winners to be avoided.
- (6) Swimming and life-saving:
 - (a) one period a week where swimming facilities are available;
 - (b) always under competent supervision;
 - (c) instruction in swimming, floating, diving and life-saving; and
 - (d) every child able to swim.
- (7) Folk dancing:
 - (a) one or two short periods a week;
 - (b) use of piano, phonograph, or other music,—
 - (i) Black Hag, Rye Waltz and Minuet for girls and boys; and
 - (ii) Irish Jig, Ordanson and Kamarinskia for boys; and
 - (c) ease and grace of movement.
- (8) Setting-up exercises
 - (a) two or three minutes at a time as needed;
 - (b) exercises from the Syllabus of Physical Training, 1933,—
 - (i) selections from Tables 20 to 30, both inclusive; and
 - (ii) arranged in rhythmical sequences;
 - (c) maximum of activity and enjoyment; and
 - (d) minimum of annoyance to other classes.

- (9) Gymnastics:
 - (a) substituted for games or athletics in inclement weather;
 - (b) one or two periods a week;
 - (c) given in a gymnasium or playroom,—
 - (i) marching, tumbling, pyramids, apparatus work and other gymnastics for boys; and
 - (ii) drills, dances, rhythmic, tumbling and other gymnastics for girls; and
 - (d) value dependent on interest and enjoyment.

PART VI

MUSIC

1. Grade VII,—

- (1) Choral singing:
 - (a) learning of at least 20 suitable songs,—
 - (i) unison songs and part songs (SA, SSA, SAB when possible);
 - (ii) some sung by rote, some by note; and
 - (iii) some in the minor mode, including the harmonic form;
 - (b) singing at school assemblies; and
 - (c) singing of hymns in the opening exercises.
- (2) Sight singing:
 - (a) singing of easy melodies from the staff, some in the base clef, if SAB songs are used;
 - (b) interpretation of ordinary notational marks as set; and
 - (c) incidental learning of elements of theory.
- (3) Ear training:
 - (a) reproduction of rhythms as heard,—
 - (i) selected from songs being learned; and
 - (ii) in simple measure and in compound measure; and tapping and singing to a neutral syllable;
 - (b) reproduction of simple tonal patterns as heard,—
 - (i) selected from songs being learned; and
 - (ii) humming and singing to syllables, including sharp and flat chromatics; and
 - (c) improvising simple melodies.
- (4) Rhythmics:
 - (a) arranged with the teacher of physical and health education;
 - (b) massed gymnastic exercises to music;
 - (c) British and Continental folk dances; and
 - (d) specialty and interpretative dances.
- (5) Appreciation through listening:
 - (a) recognition of instruments;
 - (b) recognition of different singing voices;
 - (c) familiarity with standard compositions; and
 - (d) study of two or more great composers,—
 - (i) interesting and significant incidents in their lives; and
 - (ii) some characteristics of their music, discovered by hearing the music.

2. Grade VIII,—

- (1) Choral singing:
 - (a) learning at least 20 songs,—
 - (i) unison songs and part songs (SA, SSA, SAB);
 - (ii) some sung by rote, some by note; and
 - (iii) some in the minor mode including the melodic form;

- (b) singing in small ensembles;
 - (c) singing in school assemblies; and
 - (d) singing of hymns in the opening exercises.
- (2) Sight singing:
 - (a) singing of easy melodies from the staff including the bass clef;
 - (b) understanding of ordinary notational marks; and
 - (c) incidental learning of musical theory.
- (3) Ear training:
 - (a) reproduction of rhythms as heard,—
 - (i) selected from songs being learned;
 - (ii) in simple measure and in compound measure, and tapping and singing to a neutral syllable;
 - (b) reproduction of short melodies as heard, and humming and singing to syllables; and
 - (c) improvising harmonies to melodies sung or played.
- (4) Rhythmics:
 - (a) arranged with the teacher of physical and health education;
 - (b) massed gymnastic exercises to music;
 - (c) folk dances of the nations; and
 - (d) specialty, interpretative and standard dances.
- (5) Appreciation through listening:
 - (a) study of rhythm, melody and harmony;
 - (b) study of accompaniments;
 - (c) familiarity with standard compositions; and
 - (d) study of two or more great composers,—
 - (i) interesting and significant incidents in their lives; and
 - (ii) some characteristics of their music, discovered by hearing the music.

PART VII

ART FOR GRADES VII AND VIII

1. Creative expression,—

- (1) Murals, friezes, and large drawings in colour,—
 - (a) use of pencil, crayon and brush; and
 - (b) suggested subjects,—
 - (i) pioneer life in Ontario;
 - (ii) development of transportation;
 - (iii) ancient and medieval life;
 - (iv) ships through the ages;
 - (v) houses, past and present; and
 - (vi) costumes in various eras.
- (2) Three-dimensional models and the use of clay, papier mache, soap and wood.
- (3) Book-plate and Christmas cards, the use of linoleum, soft wood and potato.
- (4) Stage sets and scenery for dramatic productions.
- (5) Costumes and properties for plays and pageants.
- (6) Puppets and masks for entertainments.
- (7) Illustrations for stories and poems.
- (8) Imaginative drawings in pen and ink, suggestive of seasons, time of day, work and play and other subjects.

2. Design,—

- (1) Observation of design in natural forms such as plants, leaves, flowers, animals and trees.

- (2) Study of designs,—
 - (a) based on natural forms; and
 - (b) based on geometric forms.
- (3) Experiments in making designs of ideas suggested by pupils.
- (4) Use of the decorative unit applied to textiles, paper and metal.
- (5) Collection of interesting designs.
- (6) Suggested activities,—
 - (a) book-jackets for library books;
 - (b) lay-out of pages in the class magazine;
 - (c) posters and announcements;
 - (d) school badges and class pins;
 - (e) articles to be made in the crafts room; and
 - (f) embroidery, applique, and weaving patterns.
- (7) Design in picture arrangement and decoration,—
 - (a) balance,—
 - (i) formal—two or more sections mechanically alike; and
 - (ii) informal—large attraction on one side near centre balanced by smaller attraction on other side farther from centre;
 - (b) emphasis—establishing a centre of interest,—
 - (i) placing in central position;
 - (ii) making large;
 - (iii) making in contrast with surroundings; and
 - (iv) leading eye to it by converging lines;
 - (c) rhythm in pictures—repetition of similar lines and shapes with slight differences; and
 - (d) rhythm in decoration—exact repetition of lines and shapes.

3. Technical work:

- (1) Representation,—
 - (a) making of accurate drawings or models;
 - (b) done for a definite purpose; and
 - (c) suggested activities,—
 - (i) detail in a mural or frieze—armour, furniture and plaid;
 - (ii) diagrams in mathematics and science; and
 - (iii) plant and animal forms.
- (2) Colour,—
 - (a) harmony and contrast;
 - (b) distribution of colour through a piece of work;
 - (c) use of small area of bright colour to balance large area of dull colour;
 - (d) use of warm and cool colours; and
 - (e) effect of distance on colour.
- (3) Figure-drawing,—
 - (a) use of action lines as basis—some attention to proportion of parts;
 - (b) faces drawn simply; hands like mittens; elaborate later if desired;
 - (c) emotions shown by pose of body—joy, sorrow, and dignity; and
 - (d) emotion in facial expression.
- (4) Showing distance,—
 - (a) placing one object in front of another;
 - (b) making equal lengths appear progressively shorter as distance from observer increases—far end of building; road; far tree; person;
 - (c) parts above horizon line in picture appear lower on paper in distance;

- (d) parts below horizon line in picture appear higher on paper in distance;
- (e) loss of sharpness of detail in distance; and
- (f) use of ellipse—the more directly the circle is seen, the more curved the ellipse is drawn.

- (5) Lettering,—
 - (a) standard letter forms and derived forms;
 - (b) spacing to give even effect, but without the same interval between letters; and
 - (c) print-writing as in lower grades.

4. Appreciation:

- (1) Study of paintings, sculptures and architecture including the works of Canadian artists,—
 - (a) message or story suggested;
 - (b) artistry employed,—
 - (i) balance and arrangement;
 - (ii) pleasing proportions;
 - (iii) skilful use of colour and form; and
 - (iv) arrangement of light and shade; and
 - (c) special techniques used by artists,—
 - (i) to place emphasis;
 - (ii) to subordinate detail;
 - (iii) to suggest setting—time and place;
 - (iv) to indicate distance;
 - (v) to produce atmosphere; and
 - (vi) to secure emotional effects.
- (2) Study of woodwork, china-ware, metal-work and pottery, utility and beauty combined.
- (3) Study of well-planned rooms and shop windows—proportions and arrangement.
- (4) Study of beautiful buildings—proportions, construction and decoration.
- (5) Study of natural beauty—flowers, birds, trees and landscape.

PART VIII

CRAFTS

1. Grades VII and VIII,—

- (1) Related to the home:
 - (a) repairing small articles of furniture;
 - (b) refinishing a piece of furniture;
 - (c) sharpening a bread-knife or meat-knife;
 - (d) making an extension cord;

THE OLD AGE PENSIONS ACT

O. Reg. 141/47.
 Amending O. Reg. 67/47.
 Cost-of-living Bonus.
 Made—24th July, 1947.
 Filed—28th July, 1947, 3.25 p.m.

REGULATIONS MADE UNDER THE OLD AGE PENSIONS ACT

1. Ontario Regulations 67/47 are amended by adding thereto Part I as follows:

PART I

INTERPRETATION

2. In this Part,—

- (a) "pensioner" means a person in receipt of a pension under this Act; and
- (b) "unmarried person" includes a widow, a widower and a divorced person.

APPLICATION

3. This Part applies to unmarried persons.

COST-OF-LIVING BONUS

4. A pensioner may, under this Part, be paid a cost-of-living bonus based on need not exceeding \$10 a month.

5.—(1) Where a pensioner's cost of shelter exceeds \$10 a month, the excess up to \$10 shall be paid to him as a cost-of-living bonus.

(2) Where a pensioner's cost of board and lodging exceeds \$25 a month, the excess up to \$10 shall be paid to him as a cost-of-living bonus.

(3) Where the pensioner's income, exclusive of his old age pension, is of such amount as to make him eligible for part pension only, he shall not be paid a cost-of-living bonus except as provided in regulation 7.

(4) Where a pensioner's income is under \$120 a year, exclusive of his old age pension, he may be paid an amount each month which makes his total income, including the old age pension, \$480 a year by the application of subregulations 1 and 2.

(5) A pensioner whose liquid assets exceed \$250 shall not be paid a cost-of-living bonus except as provided in regulation 7.

6.—(1) Where a pensioner and a non-pensioner spouse are living together, the pensioner shall be deemed an unmarried person for the purposes of this Part.

(2) Where two pensioners are married to each other and occupy a common shelter, this Part shall apply to each of them.

7. The Commission by unanimous decision may pay to a pensioner a cost-of-living bonus not exceeding \$10 a month to meet needs of an exceptional nature other than those provided for elsewhere in this Part where,—

- (a) the Commission receives an application in writing setting forth in detail the exceptional nature of the applicant's needs;
- (b) the needs are confirmed by a written report of an investigator; and
- (c) the Commission has before it the application and report when making its decision.

8. This Part shall not apply to a pensioner residing in a County Home for the Aged or any charitable institution defined as a charitable institution under *The Charitable Institutions Act*.

PENSIONERS RESIDING OUTSIDE ONTARIO

9.—(1) Where the pensioner resides in a province of Canada other than Ontario and that province does not pay any cost-of-living or other bonus or old age pension in excess of old age pension of \$30 a month to which Canada contributes, he shall not be paid any cost-of-living bonus under this Part.

(2) Where the pensioner resides in a province of Canada other than Ontario and that province pays a cost-of-living or other bonus or old age pension in excess of old age pension of \$30 a month to which Canada contributes, he may be paid a cost-of-living bonus under this Part not in excess of the amount of cost-of-living or other bonus or old age pension in excess of \$30 a month to which Canada contributes payable in the province in which he resides.

10.—(1) This Part, except regulation 9, shall come into force upon publication in THE ONTARIO GAZETTE under *The Regulations Act, 1944*.

(2) Regulation 9 shall come into force upon the day on which an Act to amend the *Old Age Pensions Act* (Canada) passed at the 3rd session of the 20th Parliament of Canada, 11 George VI, 1947, comes into force.

Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by

the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local im-

provement debentures) of a Municipal Corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

4.—(1) Where an applicant holds an Interim or Permanent Second Class Certificate, he may substitute for any grade XIII certificate required for admission evidence of 2 years of successful teaching experience in a public, separate or continuation school in Ontario, certified by the proper inspector.

(2) Where an applicant,—

(a) has been honourably discharged from active service in His Majesty's forces; and

(b) holds grade XII standing in,—

(i) English, history and mathematics; and

(ii) agriculture or science,

he may substitute evidence of 6 months of active service for 1 grade XIII paper required for admission.

5. Where an applicant submits to the Deputy Minister evidence that he has obtained,—

(a) at least 40 per cent in the upper school or grade XIII examination in algebra, chemistry, geometry, history or physics; or

(b) at least 40 per cent in both papers of the upper school or grade XIII examinations in English, French, German, Greek, Italian, Latin or Spanish,

he shall not be required to submit evidence of standing in the corresponding middle school or grade XI or XII subject.

APPLICATION FOR ADMISSION

6.—(1) An applicant shall make application to the Deputy Minister not later than the 23rd day of August.

(2) Where an applicant has complied with the admission requirements, the Deputy Minister shall send him a card of admission in form 4.

(3) An applicant shall not be admitted without his card of admission.

7.—(1) Where a teacher-in-training is required to repeat the second term at a Normal School, he shall make application for admission before the 1st day of September and upon receipt of a card of admission shall enter not later than the beginning of the second term and continue in attendance until the end of the school year.

(2) Where a teacher-in-training is prevented because of illness from completing his course at a previous session, he shall make application for admission not later than the 1st day of September and upon receipt of a card of admission shall enter on a date determined by the Minister.

MEDICAL EXAMINATIONS

8.—(1) An applicant shall not be admitted until he passes a medical examination conducted by a duly qualified medical practitioner appointed by the Minister.

(2) The principal shall notify the applicant of the time and place at which he is to present himself for the medical examination.

(3) The applicant shall pay a fee of \$2 for the medical examination.

(4) Where the practitioner certifies that an applicant has a physical condition which is likely to become aggravated but which is not sufficiently serious to prevent admission, the applicant shall not be admitted unless he signs a document waiving his right to a pension under sections 30 and 31 of *The Teachers' and Inspectors' Superannuation Act, 1946*.

(5) Where an applicant is enrolled as a student but fails to pass the medical examination, the Minister shall refund,—

(a) the fee for the examination;

(b) the return transportation cost between the Normal School and the applicant's place of residence in Ontario; and

(c) a sum for board and lodging at the rate of 70 cents a day from the date the Normal School opened until the date the applicant was notified of his exclusion by the principal.

9.—(1) Where during the school year the principal reports to the Minister that a teacher-in-training is medically unfit, the Minister shall,—

(a) order a medical examination for the teacher-in-training; and

(b) appoint a duly qualified medical practitioner to conduct the examination.

(2) Where the practitioner certifies that the teacher-in-training is medically unfit, the Minister shall direct the principal to dismiss the teacher-in-training from the School.

SCHOOL YEAR, TERMS AND VACATIONS

10.—(1) The school year shall,—

(a) commence at 9 a.m. on the Tuesday next following the 6th day of September and end during the first week of June at the close of the final examinations; and

(b) be divided into 2 terms, the first from the beginning of the school year to the beginning of the Christmas vacation and the second from the day after the Christmas vacation to the close of the final examinations.

(2) The daily session shall be 5½ hours including recesses.

11.—(1) There shall be a vacation commencing the 23rd day of December and ending the 2nd day of January next following, to be known as the "Christmas vacation."

(2) When the 22nd day of December falls on Monday, the Schools shall be closed on the preceding Friday.

(3) When the 3rd day of January falls on Friday, the Schools shall not be opened until the following Monday.

(4) The week following Good Friday shall be a vacation, to be known as the "Easter vacation."

(5) Saturday shall be a holiday.

DUTIES OF STAFF

12. The principal shall,—

- (a) prescribe the duties of his staff;
- (b) be responsible for the efficiency of his School;
- (c) inspect at the beginning of the school year the urban and rural practice-schools used by the Normal School for observation and practice teaching;
- (d) prepare a detailed report on the practice-schools for the use of the Superintendent of Professional Training at the time of his official visit to the School; and
- (e) appoint a female member of his staff to superintend the social welfare of the female teachers-in-training.

13.—(1) The teaching staffs of a Normal School and the practice-schools used in connection therewith shall hold frequent conferences to develop concerted work.

(2) At the beginning of the school year and at such other times as the Superintendent of Professional Training may direct, the principal and his teaching staff shall discuss with the teaching staffs of the practice-schools the subject of general method and child study and both staffs shall organize and conduct observation and practice-teaching in order to secure co-ordination with the principles of general method as developed in the Normal School classes.

DUTIES OF TEACHERS-IN-TRAINING

14. Every teacher-in-training at a Normal School shall,—

- (a) attend the classes punctually and regularly; and
- (b) submit to the discipline and authority of the principal.

DISMISSAL OF TEACHERS-IN-TRAINING

15. The principal may dismiss from the School at any time during the school year a teacher-in-training whose conduct, progress or attendance is unsatisfactory.

TEXT-BOOKS

16.—(1) The academic text-books for the Normal School courses of study shall be the text-books for the courses of study in grades I to X, both inclusive, of the public and separate schools.

(2) The professional text-books shall be those prescribed by the Minister under clause *m* of section 5 of the Act.

LIBRARY

17. The teachers-in-training shall use the Normal School library for reference purposes under the direction of the teachers and the librarian.

LITERARY SOCIETY

18.—(1) There shall be a literary society established in a Normal School under the direction of the principal.

(2) Every teacher-in-training shall be a member of the literary society and attend its meetings regularly.

19.—(1) The programmes for literary-society meetings shall,—

- (a) be under the direction of the principal; and
- (b) include essays, debates, recitations, musical numbers and the reproduction of scenes from plays.

(2) The Minister may provide special lecturers for literary-society meetings.

COURSES OF STUDY FOR INTERIM FIRST CLASS CERTIFICATES

20. The Normal School courses of study leading to an Interim First Class Certificate shall consist of 3 groups:

- (a) group I comprising,—
 - (i) science of education;
 - (ii) school management;
 - (iii) speech, reading and literature;
 - (iv) composition, grammar and spelling;
 - (v) mathematics;
 - (vi) social studies;
 - (vii) religious education;
 - (viii) science and agriculture;
 - (ix) art, writing and music;
 - (x) health and physical training; and

- (b) group II comprising directed observation and practice-teaching in practice-schools; and
- (c) group III comprising,—
 - (i) library methods;
 - (ii) religious guidance; and
 - (iii) the work of the literary society.

PRACTICE-SCHOOLS

21.—(1) A Normal School principal shall, in co-operation with the boards and the inspectors or superintendents of schools, select from the rural and urban schools of the locality teachers of experience and sound judgment who shall be known as "practice-school teachers."

(2) The practice-school teachers shall be in charge of the directed observation and practice-teaching of the teachers-in-training.

22. The practice-school teachers and the Normal School teaching staff shall determine the final standing of teachers-in-training in practice-teaching.

23. The principals and teachers of the practice-schools shall, for the purposes of the Normal School concerned, be subject to the authority of the Normal School principal.

24. After consultation with the principals of the practice-schools, the Normal School principal shall arrange the time-table for observation and practice-teaching.

25. A practice-school teacher shall permit teachers-in-training to enter his classroom for observation and practice-teaching.

26. Where a dispute arises between the Normal School principal and a practice-school principal or teacher in connection with any matter affecting the Normal School, it shall be submitted for settlement to the board of the practice-school and in the event of continued disagreement to the Minister whose decision shall be final.

STUDY GROUPS

27.—(1) Teachers-in-training who are weak in academic skills shall early in the first term be organized into self-improvement voluntary study groups each under a master or an instructor appointed by the principal.

(2) The master or instructor in charge of a study group shall guide the group but shall not be responsible for its progress.

(3) The meetings and work of a study group shall be in addition to and shall not interfere with the regular time-table or programme of study.

SESSIONAL RECORDS

28.—(1) The Normal School teaching staff shall keep a record of the term work of a teacher-in-training, to be known as a "sessional record."

(2) A sessional record shall be based on,—

- (a) observation of practice-schools;
- (b) oral and written class tests;
- (c) practical work;
- (d) practice in valuing answer papers of practice-school pupils; and
- (e) term examinations.

29. Where a teacher-in-training obtains a sessional record of at least 66 per cent in a subject, he may, upon the recommendation of his teachers, be exempted from writing the final examinations in that subject.

FINAL EXAMINATIONS

30. The question papers for the final examinations in the subjects in group I shall,—

- (a) be prepared by examiners-in-chief appointed by the Minister; and
- (b) be uniform for all Normal Schools.

31. The Minister shall,—

- (a) select from the Normal School teachers associate examiners to mark the final examination papers; and
- (b) designate the place at which the examination papers shall be marked.

32.—(1) The maximum number of marks for each subject in group I shall be 200 of which 100 shall be for a sessional record and 100 for the final examination.

(2) The maximum number of marks for practice-teaching shall be 1000.

REQUIREMENTS FOR INTERIM FIRST CLASS CERTIFICATES

33. Where a candidate,—

- (a) has complied with the requirements for admission to the course leading to an Interim First Class Certificate;
- (b) has obtained a standing of at least 60 per cent in practice-teaching; and
- (c) (i) has been exempted under regulation 29 from writing the final examinations in the subjects in group I; or
(ii) has obtained a standing of at least 60 per cent on the final examination in each subject in group I,

the Minister shall grant him an Interim First Class Certificate.

34.—(1) Where a candidate,—

- (a) holds an Interim High School Assistant's Certificate;
- (b) has attended a Normal School for the second term of the course leading to an Interim First Class Certificate;
- (c) has passed the final examinations in the subjects in group I; and
- (d) has satisfied the examiners that he is competent to teach the subjects in group I,

the Minister shall grant him an Interim First Class Certificate.

(2) Where a candidate,—

- (a) holds a Permanent High School Assistant's Certificate; and
- (b) has passed the final examinations in the subjects in group I,

the Minister shall grant him an Interim First Class Certificate.

35. Where a candidate,—

the Minister shall grant him an Interim First Class Certificate.

37.—(1) Where a candidate,—

- (a) holds,—
 - (i) an Interim Kindergarten or Kindergarten-Primary Certificate obtained at a Normal School; and
 - (ii) the certificates specified in clause *e* of subregulation 1 of regulation 3;
- (b) has attended the second term of the Normal School course leading to an Interim First Class Certificate;
- (c) has passed the final examinations in the subjects in group I; and
- (d) has satisfied the examiners that he is competent to teach the subjects in group I,

the Minister shall grant him an Interim First Class Certificate.

(2) Where a candidate,—

- (a) holds,—
 - (i) a Permanent Kindergarten or Kindergarten-Primary Certificate obtained through attendance at a Normal School; and
 - (ii) the certificates specified in clause *e* of subregulation 1 of regulation 3; and
- (b) has passed the final examinations in the subjects in group I,

the Minister shall grant him an Interim First Class Certificate.

38. Where a candidate,—

- (a) holds an Interim or Permanent Second Class Certificate; and
- (b) submits evidence that he has complied with the requirements for admission to the course leading to an Interim First Class Certificate,

the Minister shall grant him an Interim First Class Certificate.

EXEMPTION FROM ATTENDANCE

39.—(1) Where a teacher-in-training,—

- (a) has complied with the requirements for admission to the course leading to an Interim First Class Certificate;

(b) has failed in not more than 2 subjects in group I; and

(c) has obtained a standing of at least 60 per cent in practice-teaching,

he shall be exempted from further attendance.

(2) The teacher-in-training may obtain the standing required for an Interim First Class Certificate by passing an examination in the subject or subjects in which he failed but no allowance shall be made on the examination for his sessional record.

(3) Subject to subregulation 1, a teacher-in-training who has failed to obtain the standing necessary for an Interim First Class Certificate shall repeat the course by re-attending the second term at any Normal School.

40.—(1) Where a candidate,—

- (a) holds academic standing the Minister deems equivalent to the standing required for admission to a Normal School, under clause *d* of section 5 of the Act; and
- (b) has had professional training the Minister deems equivalent to the professional training taken at a Normal School, under clause *d* of section 5 of the Act,

the Minister shall exempt him from attending a Normal School.

(2) Where a candidate exempted from attendance under subregulation 1 has,—

- (a) taken the medical examination prescribed under regulation 8;
- (b) written the final examinations in the subjects in group I on the same dates as candidates in attendance;
- (c) taken practical tests in the subjects in group II at such times during the school year as the Normal School principal may determine; and
- (d) satisfied the examiners by teaching or other test that he is competent to direct the practical work in the subjects included in the courses of study,

the Minister shall grant him an Interim First Class Certificate.

(3) The final examinations in vocal music, health and physical training may include written and practical tests.

(4) The candidate shall not be required to write all the final examinations in 1 year.

(5) For the purposes of this regulation "equivalent training" shall mean training the Minister deems equivalent to the Normal School training required for a Interim First Class Certificate under clause *d* of section 5 of the Act.

7. Where an applicant for admission to the course leading to an Interim First Class Certificate submits to the Deputy Minister evidence that he has obtained,—

(a) at least 40 per cent in the upper school or grade XIII examination in algebra, chemistry, geometry or physics; or

(b) at least 40 per cent in both papers of the upper school or grade XIII examinations in English, French for French-speaking candidates, German, Greek, Italian, Latin or Spanish,

he shall not be required to submit evidence of standing in the corresponding middle school or grade XI or XII subject.

APPLICATION FOR ADMISSION

8.—(1) An applicant for admission to the University of Ottawa Normal School shall make application to the Deputy Minister not later than the 23rd day of August.

(2) Where an applicant has complied with the admission requirements, the Deputy Minister shall send him a card of admission in form 4 to the course for which application was made.

(3) An applicant shall not be admitted without his card of admission.

9.—(1) Where a teacher-in-training is required to repeat the second term, he shall make application for admission before the 1st day of September and upon receipt of a card of admission shall enter not later than the beginning of the second term and continue in attendance until the end of the school year.

(2) Where a teacher-in-training is prevented because of illness from completing his course at a previous session, he shall make application for admission not later than the 1st day of September and upon receipt of a card of admission shall enter on a date determined by the Minister.

MEDICAL EXAMINATIONS

10.—(1) An applicant shall not be admitted until he passes a medical examination conducted by a duly qualified medical practitioner appointed by the Minister.

(2) The principal shall notify the applicant of the time and place at which he is to present himself for the medical examination.

(3) The applicant shall pay a fee of \$2 for the medical examination.

(4) Where the practitioner certifies that an applicant has a physical condition which is likely to become aggravated but which is not sufficiently serious to prevent admission, the applicant shall not be admitted unless he signs a document waiving his right to a pension under sections 30 and 31 of *The Teachers' and Inspectors' Superannuation Act, 1946*.

(5) Where an applicant is enrolled as a student but fails to pass the medical examination, the Minister shall refund,—

(a) the fee for the examination;

(b) the return transportation cost between the University of Ottawa Normal School and the applicant's place of residence in Ontario; and

(c) a sum for board and lodging at the rate of 70 cents a day from the date the School opened until the date the applicant was notified of his exclusion by the principal.

11.—(1) Where during the school year the principal reports to the Minister that a teacher-in-training is medically unfit, the Minister shall,—

(a) order a medical examination for the teacher-in-training; and

(b) appoint a duly qualified medical practitioner to conduct the examination.

(2) Where the practitioner certifies that the teacher-in-training is medically unfit, the Minister shall direct the principal to dismiss the teacher-in-training from the School.

SCHOOL YEAR, TERMS AND VACATIONS

12.—(1) The school session shall,—

- (a) commence at 9 a.m. on the Tuesday next following the 6th day of September and end during the first week of June at the close of the final examinations; and
- (b) be divided into 2 terms, the first from the beginning of the school year to the beginning of the Christmas vacation and the second from the day after the Christmas vacation to the close of the final examinations.

(2) The daily session shall be 5½ hours including recesses.

13.—(1) There shall be a vacation commencing the 23rd day of December and ending the 2nd day of January next following, to be known as the "Christmas vacation."

(2) When the 22nd day of December falls on Monday, the School shall be closed on the preceding Friday.

(3) When the 3rd day of January falls on Friday, the School shall not be opened until the following Monday.

(4) The week following Good Friday shall be a vacation, to be known as the "Easter vacation".

(5) Saturday shall be a holiday.

DUTIES OF STAFF

14. The principal shall,—

- (a) prescribe the duties of his staff;
- (b) be responsible for the efficiency of his School;
- (c) inspect at the beginning of the school year the urban and rural practice-schools used by the School for observation and practice-teaching;
- (d) prepare a detailed report on the practice-schools for the use of the Superintendent of Professional Training at the time of his official visit to the School; and
- (e) appoint a female member of his staff to superintend the social welfare of the female teachers-in-training.

15.—(1) The teaching staffs of the University of Ottawa Normal School and the practice-schools used in connection therewith shall hold frequent conferences to develop concerted work.

(2) At the beginning of the school year and at such other times as the Superintendent of Professional Training may direct, the principal and his teaching staff shall discuss with the teaching staffs of the practice-schools the subject of general method and child study and both staffs shall organize and conduct observation and practice-teaching in order to secure co-ordination with the principles of general method as developed in the classes of the University of Ottawa Normal School.

DUTIES OF TEACHERS-IN-TRAINING

16. Every teacher-in-training shall,—

- (a) attend the classes punctually and regularly; and
- (b) submit to the discipline and authority of the principal.

DISMISSAL OF TEACHERS-IN-TRAINING

17. The principal may dismiss from the School at any time during the school year a teacher-in-training whose conduct, progress or attendance is unsatisfactory.

TEXT-BOOKS

18.—(1) The academic text-books for the University of Ottawa Normal School courses of study shall be the text-books for the courses of study in grades I to X, both inclusive, of the public and separate schools.

(2) The professional text-books shall be those prescribed by the Minister under clause *m* of section 5 of the Act.

LIBRARY

19. The teachers-in-training shall use the School library for reference purposes under the direction of the teachers and the librarian.

LITERARY SOCIETY

20.—(1) There shall be a literary society established in the School under the direction of the principal.

(2) Every teacher-in-training shall be a member of the literary society and attend its meetings regularly.

21.—(1) The programmes for literary-society meetings shall,—

- (a) be under the direction of the principal; and
- (b) include essays, debates, recitations, musical numbers and the reproduction of scenes from plays.

(2) The Minister may provide special lecturers for literary-society meetings.

COURSES OF STUDY FOR INTERIM FIRST AND SECOND CLASS CERTIFICATES

22. The University of Ottawa Normal School courses of study leading to Interim First and Second Class Certificates shall consist of 3 groups:

(a) group I comprising,—

- (i) science of education;
- (ii) school management;
- (iii) English speech, reading and literature;
- (iv) English composition, grammar and spelling;
- (v) French speech, reading and literature;
- (vi) French Composition, grammar and spelling;
- (vii) mathematics;
- (viii) social studies; and
- (ix) the minimum course in art, writing and music, health and physical training, and science and agriculture;

(b) group II comprising directed observation and practice-teaching in practice-schools; and

(c) group III comprising,—

- (i) library methods;
- (ii) religious guidance; and
- (iii) the work of the literary society.

PRACTICE-SCHOOLS

23.—(1) The University of Ottawa Normal School principal shall, in co-operation with the boards and the inspectors or superintendents of schools, select from the rural and urban schools of the locality teachers of experience and sound judgment who shall be known as "practice-school teachers."

(2) The practice-school teachers shall be in charge of the directed observation and practice-teaching of the teachers-in-training.

24. The practice-school teachers and the University of Ottawa Normal School teaching staff shall determine the final standing of the teachers-in-training in practice-teaching.

25. The principals and teachers of the practice-schools shall, for the purposes of the University of Ottawa Normal School, be subject to the authority of the University of Ottawa Normal School principal.

26. After consultation with the principals of the practice-schools, the University of Ottawa Normal School principal shall arrange the time-table for observation and practice-teaching.

27. A practice-school teacher shall permit teachers-in-training to enter his classroom for observation and practice-teaching.

28. Where a dispute arises between the University of Ottawa Normal School principal and a practice-school principal or teacher in connection with any matter affecting the Normal School, it shall be submitted to the board for settlement and in the event of continued disagreement to the Minister whose decision shall be final.

STUDY GROUPS

29.—(1) Teachers-in-training who are weak in academic skills shall early in the first term be organized into self-improvement voluntary study groups each under a master or an instructor appointed by the principal.

(2) The master or instructor in charge of a study group shall guide the group but shall not be responsible for its progress.

(3) The meetings and work of a study group shall be in addition to and shall not interfere with the regular time-table or programme of study.

SESSIONAL RECORDS

30.—(1) The teaching staff of the University of Ottawa Normal School shall keep a record of the term work of a teacher-in-training, to be known as a "sessional record."

(2) A sessional record shall be based on,—

- (a) observation of practice-schools;
- (b) oral and written class tests;
- (c) practical work;
- (d) practice in valuing answer papers of practice-school pupils; and
- (e) term examinations.

31. Where a teacher-in-training obtains a sessional record of at least 66 per cent in a subject, he may, upon the recommendation of his teachers, be exempted from writing the final examinations in that subject.

FINAL EXAMINATIONS

32.—(1) The question papers for the final examinations in the subjects in group I shall be prepared by examiners-in-chief appointed by the Minister.

(2) The Minister shall,—

- (a) select from the teachers of the School associate examiners to mark the final examination papers; and
- (b) designate the place at which the examination papers shall be marked.

33. The maximum number of marks for each subject in group I shall be 200 of which 100 shall be for a sessional record and 100 for the final examination.

34. The maximum number of marks for practice-teaching shall be 1000.

REQUIREMENTS FOR INTERIM FIRST CLASS CERTIFICATES

35. Where a candidate,—

- (a) has complied with the requirements for admission to the course leading to an Interim First Class Certificate;
- (b) has obtained a standing of at least 60 per cent in practice-teaching; and
- (c) (i) has been exempted under regulation 31 from writing the final examinations in the subjects in group I; or
(ii) has obtained a standing of at least 60 per cent on the final examination in each subject in group I,

the Minister shall grant him an Interim First Class Certificate.

36. Where a candidate,—

- (a) holds,—
 - (i) a High School Assistant's Certificate; and
 - (ii) grade XIII certificates in French literature and French composition;
- (b) has attended the University of Ottawa Normal School for the second term of the course leading to an Interim First Class Certificate;
- (c) has passed the final examinations in the subjects in group I; and
- (d) has satisfied the examiners that he is competent to teach the subjects in group I,

the Minister shall grant him an Interim First Class Certificate.

37. Where a candidate,—

- (a) holds an Interim or Permanent Second Class Certificate obtained at the University of Ottawa Normal School; and
- (b) submits evidence that he holds the certificates required under clause e of subregulation 1 of regulation 5,

the Minister shall grant him an Interim First Class Certificate.

REQUIREMENTS FOR INTERIM SECOND CLASS CERTIFICATES

38. Where a candidate,—

- (a) complies with the requirements for admission to the course leading to an Interim Second Class Certificate;
- (b) obtains a standing of at least 60 per cent in practice-teaching; and
- (c) (i) is exempted under regulation 31 from writing the final examinations in the subjects in Group I; or
 - (ii) obtains a standing of at least 60 per cent on the final examination in each subject in Group I,

the Minister shall grant him an Interim Second Class Certificate.

EXEMPTION FROM ATTENDANCE

39.—(1) Where a teacher-in-training,—

- (a) has complied with the requirements for admission to the course leading to an Interim First Class Certificate;
- (b) has failed in not more than 2 subjects in group I; and
- (c) has obtained at least 60 per cent in practice-teaching,

he shall be exempted from further attendance.

(2) The teacher-in-training may complete the standing required for an Interim First Class Certificate by passing an examination in the subject or subjects in which he failed but no allowance shall be made on the examination for his sessional record.

(3) Subject to subregulation 1, a teacher-in-training who has failed to obtain the standing necessary for an Interim First Class Certificate shall repeat the course by re-attending the second term at the University of Ottawa Normal School.

40.—(1) Where a teacher-in-training,—

- (a) has complied with the requirements for admission to the course leading to an Interim Second Class Certificate;
- (b) and has failed in not more than 2 subjects in Group I; and
- (c) has obtained at least 60 per cent in practice-teaching,

he shall be exempted from further attendance.

(2) The teacher-in-training may complete the standing required for an Interim Second Class Certificate by passing an examination in the subject or subjects in which he failed but no allowance shall be made on the examination for his sessional record.

(3) Subject to subregulation 1, a teacher-in-training who fails to obtain the standing necessary for an Interim Second Class Certificate shall repeat the course by re-attending the second term at the University of Ottawa Normal School.

41.—(1) Where a candidate,—

- (a) holds academic standing the Minister deems equivalent to the standing required for admission to a Normal School, under clause *d* of section 5 of the Act; and
- (b) has had professional training the Minister deems equivalent to the professional training taken at a Normal School, under clause *d* of section 5 of the Act,

the Minister shall exempt him from attending a Normal School.

(2) Where a candidate exempted from attendance under subregulation 1 has,—

- (a) taken the medical examination prescribed under regulation 10;
- (b) written the final examinations in the subjects in group I of the course of study leading to an Interim First or Second Class Certificate, as the case may be;
- (c) taken practical tests in the subjects in group II of the course of study leading to an Interim First or Second Class Certificate, as the case may be, at such times during the school year as the principal may determine; and
- (d) satisfied the examiners by teaching or other test that he is competent to direct the practical work in the subjects included in the courses of study,

the Minister shall grant him an Interim First or Second Class Certificate, as the case may be.

(3) The final examinations in vocal music, health and physical training may include written and practical tests.

(4) The candidate shall not be required to write all the final examinations in 1 year.

(5) For the purposes of this regulation "equivalent training" shall mean training the Minister deems equivalent to the Normal-School training required for an Interim First or Second Class Certificate, as the case may be, under clause *d* of section 5 of the Act.

TEACHERS FROM OUTSIDE ONTARIO

42. No teacher from a teacher-training school in any part of the British Empire other than Ontario shall write the final examinations in the subjects in group I of the course leading to an Interim First Class Certificate until he takes the medical examination prescribed under regulation 10.

FORM OF CERTIFICATES

43.—(1) An Interim First Class Certificate shall be in form 5.

(2) An Interim Second Class Certificate shall be in form 6.

APPEALS

44.—(1) Where a candidate for an Interim First or Second Class Certificate, as the case may be, passes in practice-teaching but fails to pass the final examinations in the subjects in group I, he shall have his case reconsidered if within 2 weeks after the examination results are announced he lodges with the Deputy Minister,—

- (a) an appeal;
- (b) a statement of the grounds upon which the appeal is based; and
- (c) a fee of \$2 for each paper appealed.

(2) The appeal fee shall be returned to a candidate whose appeal is successful.

ALLOWANCES FOR EXAMINERS

45. An examiner-in-chief shall be paid,—

- (a) \$15 for setting the question paper in spelling and \$40 for setting any other question paper assigned to him by the Minister;

- (b) \$15 for a 6-hour day for attendance at board and committee meetings which the Minister requires him to attend; and
- (c) \$12 for a 6-hour day for,—
 - (i) reading answer papers;
 - (ii) attendance at meetings with associate examiners; and
 - (iii) special duties assigned by the Minister.

46. An associate examiner or other examiner appointed by the Minister shall be paid \$14.40 for a 6-hour day for reading answer papers or assisting in the examination of candidates.

47. An examiner-in-chief whose place of residence is not in the City of Toronto shall be allowed travelling and living expenses while engaged in his duties.

48. An associate examiner or other examiner appointed by the Minister for the University of Ottawa Normal School final examinations whose place of residence is not in the City of Toronto shall, while engaged in his duties, be allowed,—

- (a) living expenses not exceeding \$6.50 a day; and
- (b) travelling expenses to and from his place of residence.

EXPENSES OF FINAL EXAMINATIONS

49. The Minister shall pay the expenses of the final examinations at the University of Ottawa Normal School.

Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.
